VOLUME 6.

MARYVILLE, MISSOURI. TUESDAY, JULY 20, 1915.

NO. 40.

BURLINGTON OPEN; WABASH IMPROVES

TRAINS RUN TO ST. JOSEPH NOW—START FREIGHT SERVICE.

ALL RIVERS FALLING; 102 IN BANKS HERE

Flood Damage is Being Gradually Removed and Normal Conditions Restored.

The train service on both the Wabash and Burlington through Maryville is now in fairly good condition, though all trains are slightly behind schedule, and the tracks are still slightly "shaky." The Burlington opened up its line from Creston entirely to St. Joseph late yesterday afternoon—much quicker than was believed would be possible.

No. 3 was the first to go through, leaving here at 6:30 o'clock last night for St. Joseph, while No. 10 came up an hour late last night. No. 5 went down a half hour late this morning, while No. 4 arrived from St. Joseph shortly before 1 o'clock this afternoon.

Freight service also was inaugurated today over this branch of the Burlington. A southbound freight arrived about 1:30 o'clock this afternoon, while a northbound freight reached here about 3 o'clock this afternoon. They are carrying light loads, however.

Wabash Gradually Improves.

The freight scheduled to come here from the north last night was stopped at Pickering through fear that it would "get hung up" on the bad track between here and Pickering.

The Villisca branch and Tarkio branch of the Burlington are still partially tied up, it was announced from division headquarters at St. Joseph this morning. A stub train was run to Burlington Junction this morning, but some of the line is still impassable.

The Wabash line is now open from Omaha to Stanberry, while the track from Stanberry to Gallatin may be passable tonight or tomorrow. E. L. Ferritor, local agent, announced this afternoon. The track is still in bad condition from Gallatin south towards Brunswick, however, it is announced.

Local freight service also was established on this division of the Wabash today. One was operated west from Stanberry, arriving here at 10:20 o'clock this morning, while an east-bound freight is scheduled to arrive in Maryville about 3:15 o'clock tomorrow afternoon.

Rivers Continue to Fall.

All passenger trains except Nos. 1 and 14, are now being operated, though slightly behind schedule.

Workmen are still doing repair work along the line in various places of both the Burlington and Wabash, in addition to the regular section forces. The biggest force on the Burlington is between Arkoe and Barnard, while the Wabash has the most repair men near Gallatin.

All rivers of Nodaway county are still falling today and the 102 river went back in its banks east of town this morning. There is still some overflow water, but most of it is standing water and will not drain off.

Visiting at Parnell.

Mr. and Mrs. Frank Ravis went to Parnell yesterday to spend a week visiting Mrs. Ravis' parents, Mr. and Mrs. A. A. Thummel.

SEEK HEATING SYSTEM BIDS

Normal Would Award Contract for Improvement July 30—Must Be Ready September 14.

Calls for bids for installing a direct radiation heating system in the Normal building this summer are now being made by W. A. Rickenbrode, registrar of the Normal school. It is provided that the successful bidder must have the system installed on or before September 14, a week after the fall quarter begins.

It also provides that the successful bidder must forfeit \$20 for each day required after that day to complete the work.

BOOSTERS PLAY JUNCTION TODAY.

Burlington Team Comes for Game at Normal This Afternoon.

The Maryville Boosters will play the Burlington Junction Boosters base ball team at the Normal grounds, beginning at 4 o'clock this afternoon. Both teams have a better lineup than usual so that a fast, close game is expected.

The Maryville Boosters will play Tarkio here next Thursday afternoon if the visitors can come.

CHANNEL BRIDGE WASHED OUT.

Sixty-Foot Steel Span Near Burlington Junction Carried Away.

A 60-foot steel bridge over the new channel of the Nodaway river at the Charles Walker farm, near Burlington Junction, was washed out Sunday.

The water of the Nodaway is falling, but the congestion of driftwood, with the high water, endangers the bridges and it is feared others will be loosened.

OPEN UP STATE ROAD NOW.

Mend Highway East of Town Both at Wabash Viaduct and River.

The state road east from Maryville is now open to traffic. A force of men under George Lucas was put to work yesterday, making the necessary repairs to make the road passable across the river and also beneath the Wabash viaduct.

Several loads of crushed rock and cinders were dumped in the muddy and sunken place where the road goes beneath the Wabash tracks, bringing it into almost as good condition as the remainder of the road.

The place washed out between the two wooden bridges of the new channel, directly this side of the 102 river, also has been bridged temporarily and ruts and cuts in the road made by the overflow water have been filled in.

SIMPSON WINS BOTH HURDLES.

Bosworth Hero, Who Got Laurels Here in 1913, Won in Chicago Meet.

Robert Simpson of Bosworth, who broke several records in the northwest Missouri high school meet at the Normal in 1913, has again gotten the laurels by capturing both the high and low hurdles in the central intercollegiate meet at Chicago Saturday.

Simpson won his favorite event, the high sticks, in 15 1-5 seconds, one-fifth of a second slower than he ran the race in the Missouri valley conference meet, and a week later in the western conference games at Urbana, Ill.

Simpson's capture of the low hurdles was another upset—that is, to the Chicago chartists. The Missouri star was slated to win the high hurdles all right, but he was stepping into mighty fast company in the low sticks, and the low sticks weren't quite Simpson's game, you know.

As a result of the afternoon's performance of the Missourian, he will compete in the exposition games at San Francisco, receiving \$100 toward his expenses.

TO LEAVE WARSAW

RUSSIANS PREPARE TO EVACUATE POLISH CAPITAL, REPORTED.

RUSS LINE IN DANGER

Invaders Are Drawing Close to Fortified Russian City—Also Whip Ends Around Protecting Hosts.

London, July 20.—The Morning Post Budapest correspondent reports that the gradual evacuation of Warsaw has been ordered by the Russians.

The present co-ossal coordinate movement was developed with such suddenness and carried so far without meeting serious Russian resistance that more and more the British press is discounting the fall of the Polish capital, and while not giving up all hope of its retention, is pointing out the enormous difficulty the Russian armies have labored under from the start by the existence of such a salient.

Having been unable to straighten out their line by an advance through East Prussia in the north and Galicia in the south, the Russian have faced the pincers of the Austro-Germans and if these can now be sufficiently tightened Warsaw must go and with it the entire line.

According to the latest accounts, the Austro-German forces advancing from Praszysz were within forty miles of Warsaw, while to the south von Mackenzen's center was at certain points within ten miles of the Lublin-Chelm railroad.

Kaiser "On Eve of Coup."

London, July 20.—The Morning Post Petrograd correspondent says Emperor William has sent his sister, the queen of Greece, the following telegram: "I have paralyzed the Russians for at least six months and am on the eve of delivering a coup on the western front that will make all Europe tremble."

WATER SERVICE IS IMPROVED

Only Sand Point System is Used Now—Find Vacuum Pump Slightly Damaged.

The water service from the municipal water plant was slightly improved today, after several days' trouble, as a result of flood conditions. The stand pipe in the north part of town was almost filled last night by continuous pumping of both river and sand point water, so that only sand point water is being pumped today.

The fact that the stand pipe and mains contain some river water makes the supply still roily, however, even though just sand point water is being supplied from the plant today. The stand pipe holds 150,000 gallons of water, so that the rolliness will continue perhaps until tomorrow.

The small vacuum pump, which is an auxiliary to the new pump at the plant, was examined yesterday afternoon and found to be only slightly damaged by the cave-in of the south wall recently and the water which flowed in as a result.

The tops of two oil cups were missing and the compressor slightly placed out of condition.

The work on the concrete wall to repair the damage done to the south wall, which caved in last Wednesday morning, is still progressing today.

CHANGE ONE BRIDGE FORCE.

County Surveyor and Force Repair Bridges West of City Today.

The force of men in charge of J. E. Reece, county surveyor and highway engineer, which has been repairing bridges north of Maryville, has now been moved to about four miles west of Maryville, on the state road. The bridge across a branch of the White Cloud near the Scott place is first being repaired.

Mrs. Alexander Here.

Mrs. Blake Alexander and children Maud, Phinney and George W., arrived in the city last night from Bushnell, Ill., to visit Mrs. Alexander's parents, Mr. and Mrs. W. F. Smith, and with Mr. Alexander's aunt, Mrs. Rodney Hamblen. Later, Mr. Alexander will join his wife here and together they will take a western trip visiting Yellowstone Park and the Pacific Coast. During their absence the children will remain with their grandparents.

Buy's Tilson Livery.

Q. A. Gilmore, west of Maryville, has purchased the livery of J. L. Tilson, East Fourth street, and will take charge within a few days.

A home-coming day in connection with the Chautauqua to be held at Elmo from August 9 to 14 inclusive is now planned by the directors.

CHURCH PLANS "UTTER DAY"

First Christian Bible School Will Hold Special Service for Retiring Superintendent, E. R. Utter.

Sunday will be designated as "Utter Day," with the First Christian church Sunday school and will be a farewell service for the superintendent, Prof. Ennis R. Utter, who leaves soon for

PROF. E. R. UTTER.

Berkeley, Cal., to enter the University of California for a year's study.

Since coming to Maryville a year ago as principal of the city high school, Mr. Utter has taken a zealous part in the Christian Bible school work and as superintendent of the school has done a great deal to make the services successful.

The committee in charge is arranging the program for the special service and it will be a very attractive one.

The desire of the committee is to have the attendance 700 on that day and special work is being done to obtain that number. The greatest number ever present at any previous service has been 642, and it is hoped to have "Utter Day" be a record breaker in numbers.

AGED RESIDENT BURIED.

Funeral Services for W. M. Cobb Held at Skidmore Today.

The funeral services of William M. Cobb, 75 years old, who died Sunday night at his home, near Skidmore, were held at 2 o'clock this afternoon at the Christian church of Skidmore, conducted by the pastor, the Rev. E. L. Cunningham. The burial was made in the Masonic cemetery.

Mr. Cobb is survived by a wife and one brother, the latter a resident of Iowa.

WENT 500 MILES FOR \$1.51.

Two Men Went Over 3 Roads in 3 Days from Parnell to St. Joseph.

It isn't everybody who can take a "see America first" trip as did two St. Joseph men, says the Gazette, who were caught by the floods at Parnell, Mo., Wednesday. They had a trip of three days and three nights, traveled over three railroads, made a journey of some 450 or 500 miles, and their railroad fare was only \$1.51 each.

Here's how it happened: They bought their tickets from Parnell to St. Joseph Wednesday morning and started out at 11 o'clock. When they reached Conception Junction they were turned back, reaching Des Moines at 9 o'clock the next morning. From the Iowa capital they were sent over the Rock Island to Allerton, leaving at midnight.

From Allerton the train was backed up the Rock Island's main line for fifteen miles to Seymour, where the train was transferred to the Milwaukee tracks, over which the run to Kansas City was made. From Kansas City to St. Joseph the Great Western tracks were used, and the two travelers reached home at 1 a. m. Saturday. The one ticket, costing \$1.51, was all that was needed, but the railroad didn't pay for meals. No lodging was needed.

Here from St. Joseph.

Miss Marie Perkins of St. Joseph arrived in Maryville Sunday night to visit her uncle and aunt, Mr. and Mrs. John Behm. She was accompanied by Miss Beatrice Behm, who has been spending the past two weeks in St. Joseph.

Mrs. J. Williams Home.

Mrs. Jerry Williams, who has been at Ensworth hospital, St. Joseph for the past two weeks recuperating from an operation for appendicitis was brought to her home in this city yesterday.

ELECT HIGH HEAD

GEORGE P. MCGREW, AUBURN, NEB., SUCCEEDS E. R. UTTER IN SCHOOL.

WELL TRAINED FOR JOB

New Educator Principal Comes Highly Recommended—Is U. of N. Graduate—Has Taught 10 Years.

George P. McGrew, 34 years old, of Auburn, Neb., who has had ten years of teaching experience and is a graduate of a high school, state normal, and the University of Nebraska, was elected as principal of the Maryville high school for the 1915-1916 term, at a special meeting of the school board last night. He will succeed E. R. Utter, who will leave next month for Berkeley, Cal., to enter the California state university.

Mr. McGrew will receive \$1,200 per year, the same that Mr. Utter received. He appeared in person before the school board last night, but returned to Nebraska this morning. About a dozen other applications for the positions were considered. None was from persons residing in Nodaway county.

Nothing else was done by the board last night. All members attended.

Mr. McGrew will have general charge of the high school departments of the Maryville schools, and also teach some mathematics and charge of athletics, especially track work and basket ball.

Mr. McGrew is a graduate of the Auburn, Neb., high school, attended the state normal school at Peru, Neb., received an A. B. degree from the state university at Lincoln this year, and holds a professional life certificate to teach.

He is highly recommended by teachers at the university and at places where he has taught. They have been one year at Eagle, Neb.; two years at Trenton, Neb.; four years at Silver Creek, Neb.; one year at North Platte, Neb., and two years at Des Moines, Ia.

The election of Mr. McGrew was made after Victor I. Moore of Arlington, Texas, who had been elected at \$1,250 per year, to succeed Mr. Utter, asked to be relieved of the position. Mr. Utter came here from Trenton, and has been on the faculty only the last term. He attended Drake university at Des Moines, then taught in both Iowa and Missouri.

The entire faculty for the Maryville schools has now been selected, there being several changes made over last year. The school term will begin Monday, September 6.

The School Faculty.

The following will comprise the faculty of the Maryville public schools for the 1915-1916 term, beginning September 6:

Superintendent—William M. Westbrook. High school principal—George P. McGrew.

High school—Miss Alicia Keeler, Miss Lois K. Halley, Miss Mabel Wells, Miss Laura Hawkins, Miss Helen Wright, Miss Dora Carpenter, Miss Virginia Robertson, Miss Mary Rooker and Paul Becker.

Central grades—Miss Mary Ford, Miss Golda Alry, Miss Phyllis Saylor, Miss Nellie Hudson, Miss Bertha Northcutt, Miss Alice Worst, Miss Edna Bonewitz, Miss Nellie Wray and Miss Margaret McDougal.

Franklin—Miss Dena Hartman, Miss Dale Hulet and Miss Vera Tilson. Garfield—Miss Julia Denny, Miss Ella Hazelrigg and Miss Elizabeth Cook.

Jefferson—Miss Ada Albert, Miss Mayme Kane and Miss Myrtle Hogue. Douglas—E. O. Boone, negro. The new teachers will be Mr. McGrew, Miss Halley and Mr. Becker of the high school, Miss McDougal of the Central grades; Miss Tilson, Miss Cook and Miss Hogue of the ward schools.

LEVI KELLEY IN JAIL AGAIN.

State Takes Him in Tow to Serve Out Time—Requires a Month.

Levi Kelley, the much failed man, who just recently emerged from the city jail, has been taken in tow by Sheriff Edwin Wallace to finish serving out his time for striking John Touhy with a brick a year ago. He has about a month yet to serve.

Kelley is not at all opposed to serving "time" at the county jail, it is said—at least he never appears to mind it.

Mr. and Mrs. Frank Buhler of Philadelphia, Pa., who have been visiting Mr. Buhler's mother, Mrs. Mary Buhler and other relatives, left Sunday night for their home.

BACK 30 YEARS; GETS REAPER

Paul Sisson Buys Self-Make Mower to Cut in Softened Fields—Recalls Old Times.

The old timers of Maryville were set to talking this morning and many stories of the harvest methods of a generation ago were brought back in the limelight, when an old-fashioned, though new, self-rake reaper was received here today by W. W. Jones of W. W. Jones & Co. It was ordered by Paul Sisson, who has about 100 acres of his 118-acre crop to still harvest, two miles west of Maryville.

When the old-fashioned appearing mower was drawn down the streets people stopped and stared, and the old timers went wild with joy. It was like seeing an old friend, despite the cussings they used to give the back-breaking contraption in the days of their youth.

The reaper, which costs \$75 now, but cost all the way from \$150 to \$200 when in general use, has four rakes, which revolve around in the center of the machine. In general use all but one merely turns the uncut grain towards the sickle, while the other rakes the cut grain from the platform onto the ground, where several men, following behind, bind it and shock it.

Mr. Sisson expects to be able now to cut the wheat without much material delay, because of the lightness of the reaper, compared to the present-day binder. Although the reaper is heavier than a mower, it is far lighter than the binder, and does better work than a mower would by placing the cut grain in a pile.

Several other farmers in the county are intending to order reapers. Mr. Jones are intending to order reapers. Mr. Jones said, if the one bought by Mr. Sisson proves successful. In the meantime many are cutting their wheat with a mower.

The reaper now is used mostly in hilly country, low, swampy land, and for foreign trade.

CHAUTAUQUA TICKETS ON SALE.

Illustrated Booklets and Program of Week's Lyceum Also Are Distributed.

The tickets for the Chautauqua, to be held at the Normal park from August 6 to 12 inclusive, are now on sale in various store and business establishments of the city, besides at the office of W. R. Jackson, local manager, at the rooms of the Commercial club.

Nicely engraved illustrated booklets and program of the week's outdoor lyceum also arrived yesterday and are being distributed to patrons from the various business establishments this week.

MAKES MANY DETOURS FOR HOME

Richard Swords, Marooned by Flood While on Road, Overcomes Many Difficulties.

One of the Maryville men who were out of town when the flood struck last week, thereby tying up train service, was Richard Swords of the McCaffrey & Swords grocery firm, who also travels for a Kansas City wholesale grocery house.

Mr. Swords was at King City when the flood struck. He drove from that town to Whitesville, crossed the Platte river by boat, took a tie pass to Rea, drove as far as he could towards Rosendale, then took a handcar as far as possible, then telephoned for a Savannah Livery.

Reaching Savannah, he was fortunate enough to run across Bert Staples of Burlington Junction, who was driving home by motor car. He arrived in Maryville Friday night.

To Hospital by Motor.

Mrs. Henry L. Foster of Maryville was taken to the Ensworth hospital at St. Joseph Saturday to undergo an operation, in a "double-header" motor car. One car was used to help the other over the bad roads.

Return to St. Joseph.

Mrs. John Koch and daughter, Katherine, of St. Joseph, who have been spending the past two weeks visiting Mrs. Isabelle Worst, Mr. and Mrs. C. D. Hooker and Mr. and Mrs. C. D. Koch and families, left this morning for their home.

CITY TO RESTART ONPAVING DRAFTS

COUNCIL MAY THROW OUT 4 RESOLUTIONS, GRADE ORDINANCES.

PROPOSE TO INCLUDE 4 WEST BLOCKS NOW

Would Pave Grand, Third to Fourth, and Fourth to Main—Find Former Acts Were Wrong.

The city plans to start all over again and take up the paving matter at a special meeting tonight where it left off some time ago, and throw out the work half performed July 13. That is the announcement made today by W. H. Crawford, city attorney, and F. L. Flynt, city engineer.

The decision to throw out the four paving resolutions adopted July 13 for paving twenty blocks of the thirty-five proposed blocks was made today, because of the desire to pass all paving acts at one time, and to correct errors made in one or two of the resolutions adopted then.

Very little else will come up for consideration tonight, except probably to consider an ordinance bill which provides for levying a special tax against those property owners on Short street from First to Second who have failed to install sidewalks there as recently ordered.

Proposed Paving.

The resolutions and grade ordinances prepared for consideration tonight provide for the following paving:

Thompson, Walnut to Main, 4 blocks. Fifth, Market to Dunn, 7 blocks. Dunn, Fifth to Normal avenue, 1/2 block. Ninth, Mulberry to Normal grounds, 4 blocks. Third, Frederick to Grand, 4 blocks. Grand, Third to Fourth, 1 block. Fourth, Grand to Munn avenue, 3 blocks. Jenkins, Market to Main, 1 block. Edwards, Market to Main, 1 block. Market, Third to Edwards, 6 blocks. or Market, Third to alley north of First, 1 1/2 blocks. Mulberry, Ninth to Twelfth, 3 blocks. Twelfth, Mulberry to Prather avenue, 1/2 block. Prather, Twelfth to west city limits, 4 blocks.

WILL SHOW "QUO VADIS."

Fern Theater Will Portray Famous 8-Act Photoplay Tomorrow.

"Quo Vadis," the famous photoplay in eight acts, will be shown again at the Fern theater. A special matinee for children and women will be given tomorrow afternoon and one show tomorrow night, James Ellis, manager, announces.

GAYNOR ITEMS.

(Delayed from last week by flood.) Mrs. John Koger was called to Bradysville, Ia., Saturday by the illness of her grandmother.

Mr. and Mrs. H. P. Johnston and family, Miss Lizzie Whitten and Miss Alta Herbert of Hopkins spent Sunday at the home of Mr. and Mrs. Harry Smith.

Mr. and Mrs. Theodore Jackson and family spent Sunday visiting Mrs. Jackson's parents, Mr. and Mrs. Jesse Hall of Sheridan.

Mrs. William Hendry has returned to her home, north of Hopkins, after a visit with friends in Gaynor.

Mrs. M. M. Johnson of Clay Center, Neb., is visiting her sister, Mrs. Jane Daugherty.

Guests at Trullinger Home.

Mrs. Al W. Brown and daughters, Helen Irene, Halcyon and Maxine, of Manhattan, Kan., are visiting in the city the guests of Mr. and Mrs. Henry Trullinger.

* THE WEATHER *

Generally fair with probably showers tonight or tomorrow.

**Largest Circulation in
Nodaway County**

If ignorance were bliss in all cases,
a lot of us would die of joy.

SAME IS TRUE IN NODAWAY.

Prosperity note from the Burlington Hawkeye: Don't lose any sleep worrying about the condition of Iowa crops. Iowa crops have a way of getting there in spite of hares and high water.

When goats and rabbits go to war conditions must be desperate, indeed. Yet that is exactly what is going on in Kansas City. Prendergast "goats" and Shannon "rabbits" are engaged in a

bitter warfare in the city council, and appropriations for carrying on the city's business are tied up. In the meantime the city and citizens generally seem to be the real goats in the case.

Home for Vacation.

Miss Lula Todd and Miss Donna Sisson, who have been spending the past six weeks traveling in the east and Canada, arrived in Maryville yesterday morning. Miss Sisson spent the past school year studying at Pratt Institute, Brooklyn, N. Y., and Miss Todd is teaching in the public schools of Hammond, Ind. After a visit in New York City the young women visited Montreal, Toronto and the Thousand Isles, Canada, making a lake trip from Buffalo, N. Y., to Chicago enroute home.

Has Record Pie Plant.

E. E. Tilton displayed a pie plant stalk and leaf at the court house today that perhaps is a record breaker. The stalk and leaf combined measure about 4½ feet, while the leaf is about 3 feet across.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

WILL ADDRESS STUDENTS

Supt. J. A. Whitford of St. Joseph Schools Will Speak at State Normal School.

Superintendent J. A. Whitford of the St. Joseph schools is in Maryville this week to give a series of addresses at the State Normal school.

Yesterday afternoon at 3:10 o'clock Mr. Whitford gave an address on the subject, "The High School Course of Study."

This morning at the assembly hour Mr. Whitford spoke from the subject "Value of Principles in Teaching." He will also speak in assembly both Thursday and Friday mornings. On Thursday morning Mr. Whitford's subject will be "Causes of Failures," and the one for Friday will be announced later.

The afternoon address of Mr. Whitford will be given daily at 3:10 o'clock in room 221, and the subjects are as follows:

Tuesday, July 20—"The Best Use of the Teacher's Time in the Class Room."

Wednesday, July 21—"The Best Use of the Teacher's Time Out of the Class Room."

Thursday, July 22—"The Improvement of Teachers in Service."

Friday, July 23—"The Supervision of Study."

All high school teachers and others not in class at the afternoon hour are invited to attend the lectures.

AGED RESIDENT DEAD.

Funeral Services of Isaac Gill Will Be Held Tomorrow.

Isaac Gill, an aged resident of the city, died at 4 o'clock yesterday afternoon at his home, on South Depot street.

The funeral services will be held at the home tomorrow afternoon.

NEIGHBORS TO BUILD BRIDGE.

Ask County to Buy New Lumber Needed for Span Across Spring Creek.

A. L. Oakerson, living southwest of Maryville came to town today to get new lumber for a private bridge on his farm and also to confer with the county court relative to rebuilding a bridge across Spring creek, 5¼ miles west and 3 miles south of Maryville.

Mr. Oakerson and other farmers in that neighborhood agree to rebuild the bridge if the county will furnish what new lumber and supplies are necessary, such as stringers and one new piling. It is estimated to cost about \$30. The neighbors recently dragged the old bridge back from where it had lodged, a mile down the stream.

Graham Couple Married.

Roy McGrew, 22, and Cecil Kaufman, 19, both of Graham, secured a marriage license in the office of the recorder of deeds, and were married yesterday afternoon by Probate Judge W. H. Conn.

Age is Not the Cause of your hair falling out. It is the condition of your scalp.

WOMEN WIN IN CONTEST.

Men's Class Will Banquet Amomas Friday Night at Baptist Church.

In an attendance contest between the Men's Bible class and the Amoma class of the First Baptist church, which closed Sunday, the first named were the losers, and because of that, in accordance with the terms of the contest, will banquet the Amoma class Friday night at the church.

The attendance in the men's class, which has been averaging 53 each Sunday, was 92 Sunday morning, and the attendance in the women's class, which has been averaging 22, was 83. The terms of the contest were based on the proportionate gain in attendance.

The services of the day Sunday were held in the church yesterday, after a

vacation of several weeks while the church was being remodeled. During that time the meetings were held in the high school auditorium.

The Men's Bible class is taught by the pastor, Rev. L. M. Hale, and the Amoma class by Mrs. Flora Quinn.

There is Real Satisfaction in Every Puff of Prince Albert.

Every time you smoke Prince Albert tobacco in a pipe or rolled into a cigarette you will like it better. You will like its flavor, and you will like its wholesome aroma; you will particularly like it because it will not bite your tongue or parch your throat.

Prince Albert is the kind of a smoke men have sought for years. The patented process by which this brand is made has revolutionized pipe and cigarette tobacco. No other tobacco ever was, or can be, like Prince Al-

bert. Don't lose any time getting Prince Albert, for it will give you more tobacco satisfaction than you have ever before had. You can smoke it all day and your tongue will not be sore.

The whole thing is to know for yourself just how good Prince Albert really is. Sooner you buy a tin for 10 cents, the sooner you will understand

that Prince Albert will make your pipe and cigarette smoking more enjoyable than any other tobacco you can buy.

To smoke all you want all day; to get real tobacco satisfaction without a sore tongue is just what you need in tobacco. Prince Albert will prove true to every statement made about it. In 5-cent bags and 10-cent tins at stores that sell tobaccos.

SHINGLES-NAILS

In recent years much complaint has been made of the shingles received in this section of the country, and justly made, too, for the wood shingles have not given the service they should have given.

If you happen to be among those who are so unfortunate as to have a poor roof, just take a few minutes, examine it, and give the reason for its bad condition.

Your reason will be the same as the one given by ninety-five per cent of all the causes of damaged roofs, and that is: The nail has rusted off, the shingle pulled out, and finally the wind carries it away.

If you contemplate a new roof, let us show you our SOLID ZINC NAILS (not galvanized), and a shingle that is 100 PER CENT CLEAR OF BOTH SAP AND KNOTS and every shingle vertical grain.

A combination of our shingles and our zinc nails, will undoubtedly mean a good roof for twenty-five to thirty years.

LIVESTOCK PRICES GO DOWN

Cattle, Hogs and Sheep Decline—Grass Fed Bovines Bring Slump—War Interferes.

Kansas City, July 19.—A quarter to fifty cents was taken off cattle values last week, due to the advent of a large delogation of grass cattle at western markets generally. Prime fed cattle suffered somewhat in the general slump.

Receipts here today are 8,500 head, of which 1,600 head are yarded in the southern division, and the drop in the supply from last Monday, when 13,000 head arrived, resulted in an active market and considerable recovery in values. Prime steers, including numerous lots from Clinton county, Missouri, the great corn and blue grass section, brought \$9.85 to \$10.10, on a parity with a week ago.

A drove of 100 head of yearlings from the same section, of which 82 were heifers, brought \$9.85, \$30 pounds average. Greenwood county, Kansas, steers climbed back up to \$9.60 today, about as good as best time last week. Texas steers in the native division brought \$7.30, for which \$7.00 would have been the price last Thursday.

The rank and file of cattle moved at slightly better prices than the middle of last week. South Texas grass steers sold in the quarantine division

at \$6.40 to \$7.25, and Oklahoma grassers weighing 900 pounds at \$6.50 were considered higher than they would have sold last Thursday.

Ten loads of R. E. Gatewood's steers, around 1,200 pounds, from north Texas, brought \$8.40 in the quarantine division. Stockers and feeders sold slightly better, but without any special dash. In the hog yards the supply was 5,000 head, market steady to five lower for an hour or two, during which time order buyers made their purchases, up to \$7.70, including choice heavies at \$7.65.

Packers bid 10 to 15c lower prices, paying \$7.35 to \$7.50 for most of their hogs, around \$7.30 for rough heavy weights. Provisions prices have sharply declined recently because of England's interference with shipments to neutral countries, and recent weakness in hog prices is traced to that cause.

Prophecy is made that hog prices will decline till England abides by the rule of international laws and ceases to interfere with shipments of food products, which laws the state department at Washington is demanding shall be enforced.

Sheep and lamb receipts are 6,000 head. Lambs dropped close to \$1.50 in value last week, but sales today were still lower, top \$7.60, paid for several strings of Arizona spring lambs. Sheep prices are holding up well, some Arizona ewes today at \$6.60, 110 pounds average. Aged sheep prices are considerably above Chicago, because of scarcity here.

Demand for breeding sheep and feeding lambs is developing, and promises to be very heavy. Recently there has been practically nothing in either line offered, a few feeding lambs today at \$7.25.

ON CHAUTAUQUA CIRCUIT.

Raymond Watson Touring West and Southwest—Visits Former Maryville Family.

The following clipping is taken from the Weatherford (Okla.) Democrat, of which N. S. DeMotte is editor and publisher. Mr. DeMotte was formerly connected with The Democrat-Forum, and, with his family, resided in this city.

Mr. Watson is spending the summer vacation in the employ of a Kansas City Chautauqua bureau.

"Raymond Watson, a friend of several years standing of the editor and his family, was the ticket seller at the Chautauqua. Mr. Watson is a student at the Missouri state university and will graduate this next year. He is a graduate of the Maryville, Mo., Normal school, and has taught school for several years, being for three years principal of the Bolckow, Mo., schools. He is putting in his vacation time seeing some of the country and gaining part of his expense money for next year. His father is a wealthy farmer near Maryville, Mo."

Harvey McClary returned Sunday from a western trip of several weeks, during which he visited places of interest in Colorado and New Mexico.

SOCIETY and CLUBLAND

By KATE SCHENCK
PHONES—OFFICE 42 HOME 683

To Give Pre-Nuptial Shower.

Miss Ruth Montgomery will entertain with a handkerchief shower Wednesday afternoon as a pre-nuptial courtesy to Miss Grace Louise Sturm.

To Entertain Society.

Mr. and Mrs. W. A. Miller will entertain the Christian Endeavor society of the First Christian church at their home, on South Main street, Friday night.

To Give Kensington.

Misses Hettie and May Anthony will give a kensington and luncheon Thursday afternoon, when their guests are bidden to meet their sister, Mrs. Charles Lippman of St. Louis.

Society to Meet.

The Women's Missionary society of the Buchanan Street Methodist church will meet at 2:30 o'clock tomorrow afternoon at the home of Mrs. S. C. Clark, 707 East Jenkins street.

Circle to Meet.

The usual meeting of the Mary Lawrence Circle of the First Christian church will be held tonight at the home of Mrs. Edward Egley, on North Main street, with Miss Thella Hogue and Miss Phyllis Saylor as hostesses.

Gilberts Entertain.

Mr. and Mrs. W. H. Gilbert were the hosts of a dinner given at noon today complimentary to Miss Hazel Porter and her sister, Miss Gertrude Porter. The latter is from Kansas City and is visiting in Maryville with her parents, Mr. and Mrs. W. B. Porter.

Guests at Signs Home.

Mrs. G. Edward Lippman and children, Pierce and Marjorie, and Miss May French of St. Louis, who are visiting their mother, Mrs. M. A. Martin, are house guests for a few days this week of Mr. and Mrs. Edward Signs, at their home, on East Fourth street.

Mr. and Mrs. Cockayne Entertain.

Mr. and Mrs. Charles Cockayne gave a dinner party Sunday noon at which they entertained Mr. and Mrs. Carl Murray and daughters, Bessie Ward and Helen; Mr. and Mrs. Grant Trusty, Miss Sara Tanner, Miss Hortense Van Zant and Misses Averill and Sybil Tibbles.

Dawson Dinner Party.

Mrs. Callista Dawson and daughter, Miss Eva Dawson, were the hostesses of a dinner party given at noon Sunday at their home, on West Second street. Plates were laid for Mrs. Cora Fowler and son, Dawson, of Edina, Mo.; Mrs. Josie Cadwell and daughter, Kitty Jane, of Caney, Kan.; Mr. and Mrs. John M. Dawson and the hostesses.

Miss Reuillard Hostess.

The members of the Hum Drum club were entertained with a charmingly arranged afternoon luncheon given by Miss Ruth Reuillard at the Reuillard home, on East Fourth street, yesterday for the pleasure of Mrs. Arch A. Carter, nee Miss Hazel Everhart, who is here for a visit of several weeks. The color plan was carried out in yellow, and yellow nasturtiums were used throughout the rooms in decorations.

Mrs. Daugherty Hostess.

Mrs. Jane Daugherty, living near Gaynor, entertained a few friends Saturday night for the pleasure of her sister, Mrs. M. M. Johnston of Clay Center, Neb., who is visiting at her home. The guests were Mrs. Johnston, Mr. and Mrs. H. P. Johnson, Mr. and Mrs. George Hepburn, B. F. Gilmore, Miss Eva Hollensbeck, Carol and Walter Johnston, Dorothy and Jimmie Hepburn and Charles Daugherty.

Mrs. M. A. Martin Entertains.

A family dinner party at which plates were laid for eighteen was given last night by Mrs. M. A. Martin at her home on South Buchanan street for the pleasure of her daughters, Mrs. G. Edward Lippman and Miss May French of St. Louis who are visiting in the city. The guests were Mrs. Lippman and children, Pierce and Marjorie, Miss French, Mr. and Mrs. C. E. Signs, Mr. and Mrs. W. C. Pierce, Mr. and Mrs. Fred French and son, Mrs. Lizette Lippman, Mrs. Kate Gaddis, Mrs. B. G. Ford and daughters, Ottilie and Helen, and Miss Dorothy Pierce.

Surprise Party.

Miss Verna Cort was very pleasantly surprised Friday evening, when a number of her friends gathered at her home, near Gaynor, unannounced, to spend the evening. The guests were Mr. and Mrs. Charles Gonser, Mr. and Mrs. D. D. Cort, Misses Lois Bosch, Carol Johnston, Nannie and Elva Heflin, Hazel Flores, Verla Brown, Lucille Husbands, Sarah Wray, Edna King, Lela Caudle, Messrs. Fay Flores, Carl Killian, Lloyd Killian, George Barton, Paul Caudle, Leonard Bosch, Harry,

Given Morning Party.

A pleasurable affair, and one of the most delightful of the numerous pre-nuptial compliments being given Miss Grace Louise Sturm, was a morning party given by Miss Neva Airy today at the Airy home on West Fourth street.

Vases and baskets filled with cosmos and nasturtiums added attractiveness to the rooms where the game tables were placed. Miss Sturm was awarded the courtesy favor and the game prize was won by Miss Dale Hoffman. Miss Airy was assisted by her mother, Mrs. C. H. Airy, and her sister, Miss Gilda Airy in entertaining her guests, who were Miss Sturm, Mrs. Cleve J. Funk, Mrs. Dale Bellows, Miss Allie Jean Fraser, Miss May Gowney, Miss Carrie Margaret Baker, Miss Anna Balmum, Miss Martha Koch, Miss Mildred Robinson, Miss Ruth Montgomery, Miss Mary Foster and Miss Margaret Foster of Des Moines, Ia., who are visiting at the home of Mrs. W. T. Garrett; Miss Glen Hotchkiss, Miss Hildred Hanna, Miss Geneva Wilfley, Miss Ora Barman, Miss Marjorie Wilfley, Miss Dale Hoffman, Miss Ruth Reuillard, Miss Eleanor Smith and Miss Kitty Grems.

DRUMMERS HAD TO SWIM HOME.

After several days of wading, swimming, boating and horseback riding, they finally managed to reach Kansas City.

They arrived at Stanberry last Tuesday night on a Wabash train that was late. They went to bed that night and all was well. In the morning the town was under water, the railroad tracks had been washed out, several houses carried off the foundations, bridges out, and even the floor of the depot was covered with water. Stanberry would be marooned for some time.

The party had to wait there until Friday before they could even think of driving to Conception Junction, where they believed they could get the Great Western. Going to Conception nearly all the bridges were washed out. The men had to lay planks across the streams and lead the horses across, and then go back and pull the buggies across by hand. Now and then someone slipped into the streams, but they didn't mind it.

Home from Dakota.

Miss Alma Lucas returned yesterday from a visit of several months at Volm, S. D., where she was the guest of her uncle and aunt, Mr. and Mrs. G. A. Wilson. She was accompanied by her small cousin, Frances Gertrude Wilson, who will visit the remainder of the summer with her uncle and aunt, Mr. and Mrs. George Lucas.

Carr Bridge Goes Out.

The Carr bridge, south of Maryville, on the Savannah road, went out in the recent floods, according to a report to W. M. Blackford, presiding judge of the county court.

The Patron Club of Booster Miss Lila Tabler Won the First Prize of 11 Certificates, Redeemable at Our Store in Simon L. and Geo. H. Rogers' Table Silverware

Booster Mrs. Iona Appleby and her Patron Club won the second prize of eleven silver certificates. Each of these silver certificates can be exchanged for its corresponding value in silverware, at not a cent of cost.

SPECIAL TO PATRONS.

Get together this week, talk it over with your fellow members. If you will anticipate some of your wants and have your fellow members do the same, you can win on which ever week you decide. Remember we are always glad to answer questions.

BOOSTERS, it pays to advertise. One of the best ways to advertise that you are a member of the Booster Club and want your friends to help you, is to place some evidence of your work before the public. One of the most public places in town is our show-window. To help you along, we are going to give each Booster an opportunity to decorate our display window. Each Booster will have one display. Think up some original design, and ask us for suggestions. Give us your name now, that we may save a week for you. Come to the store and we'll tell you more about it.

Remember! Elgin Gold Watches Free!!

One watch will be given at the end of four consecutive weeks after the count on MONDAY, JULY 19th, to the Booster who casts the most Booster Coupons during the period of four weeks. All coupons cast in these contests count on the Grand Prize for the Booster in the Booster Club Campaign, but all Boosters start even in each watch contest of four weeks; thus each Booster, high or low in the Club, has the same opportunity in each watch contest. Any Booster having won a watch from the store will not be allowed to enter the following watch contests.

In case of a tie the premium will be sold and the money divided.

This first Watch Contest is from MONDAY, JULY 19th, to MONDAY, AUGUST 16th.

MUSIC WILL BE FURNISHED SATURDAY BY BOOSTER REBECCA SHELL.

OUR PATRON CLUB SPECIAL FOR NEXT WEDNESDAY IS MEN OR BOYS' GLOVES.

BUSINESS DIDN'T CEASE.

Bartender at St. Joseph Saloon Served Drinks Standing in Water Waist Deep.

Several county officers went to the Midbrodt place on One Hundred and Two river recently to view the flood and found the bartender working waist deep in water, serving drinks to a thirsty crowd of motorists, whose cars were parked a quarter of a mile this side of the water, and who had entered the saloon in rowboats.

"The icebox was afloat," said one of the officers, "and an assistant bartender was on hand with a boathook to hold your boat steady while you took your refreshments."

"The river current swept through the west doors and windows; and in a way this was an advantage, as it carried away all corks, empty crates and refuse from the lunch counter."

High Cost of Building

There is much dissatisfaction in painting here and so much complaint of high cost. There is a reason. The reason is you contract with the builder and pay three profits for a cheap grade of work. One to the builder, one to the material man and one to the painter. You could save from 25 to 30 per cent by contracting direct with the painter. Our prices are, two-coat work, 14c square yard, paint included; paper hanging, 10c per roll, common lag work, border included; rooms varnished, \$2.00 up; rooms enameled, \$2.00 up; rooms papered, \$3.50 up, paper included.

W.G. Gross

804 North Fillmore.
Hanamo phone 4690.

"There was no loafing in that saloon because as soon as you had refreshed yourself the boathook let go and you floated out. There was a strict observance of the law, too, as regards chairs and tables, and there was no sign of any electric piano or shoe shining stand. In a way it's a model saloon."—St. Joseph News-Press.

REAL ESTATE TRANSFERS.

List of warranty deeds filed in the recorder's office of Nodaway county for one week ending July 17:

Rhoda Argabright et al. to Fred C. Argabright, June 23, 1915, SE SE 10-66-38, \$1.

MISSOURI SUFFERERS FIND GREAT REMEDY

Thousands needlessly suffer from stomach ailments, handicapped in their work and pleasure. The stomach is the mainspring of life and the body cannot run without it.

You want to be well quick.

A great many people in Missouri and thousands all over the country have found the way to health by the use of Mayr's Wonderful Remedy. The first dose shows results. Here are the words of two Missourians:

Mrs. J. B. Trullinger of Norborne, Mo., wrote: "Words cannot express my appreciation of your medicine. I have felt fine all summer and fall. Am gaining weight."

W. T. Jennings, cashier of Bank of Bois D'Arc, Mr., writes: "Please send four more bottles of the stomach remedy. Both my wife and I use this medicine and think it truly wonderful."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

SCIENTISTS ON ADVISORY BOARD

Daniels Asks Eight Organizations to Make Selections.

EACH TO NAME TWO MEMBERS

Sixteen Men to Make Up, With Chairman Edison, Advisory Commission of Invention Bureau Thus Chosen. Announcement of Secretary of Navy.

Washington, July 20.—Sixteen American scientists to make up with Thomas A. Edison as chairman the advisory board of the proposed bureau of invention in the navy department will be selected by leading scientific societies of the country. Secretary Daniels announced he had written to the presidents of eight societies asking that two members be selected by each organization to become members of the board.

The following are the societies addressed: American Chemical society, President Charles H. Herty of Chapel Hill, N. C.; American Institute of Electrical Engineers, President Paul M. Lincoln of Pittsburgh; American Institute of Mining Engineers, President Benjamin B. Thayer of New York; American Mathematical society, President E. W. Brown of Yale university; American Society of Civil Engineers, President Hunter Macdonald of Nashville, Tenn.; American Society of Mechanical Engineers, President James Hartness of Springfield, Vt.; American Aeronautical society, Acting President Frederick W. Barker of New York; Inventors' guild, President Edward Weston of Newark, N. J.

DR. CLAXTON UNDER FIRE

Son of Revolution Attacks Commissioner of Education.

Portland, Ore., July 20.—A resolution that President Wilson be asked to dismiss P. P. Claxton United States commissioner of education, because of sentiments derogatory to the United States flag he was reported to have expressed in a speech two years ago in Boston, caused a commotion here at the first session of the twenty-sixth annual congress of the Sons of the American Revolution.

The resolution, which was introduced by Christopher W. Horr of Seattle, was greeted with hisses, but was finally referred to the resolutions committee without debate.

In the Boston speech Commissioner Claxton said, according to an excerpt read in the convention:

"After all, the people of the world care very little what flag they live under. A flag means nothing. It is not a reality. They can live under one combination of colors as well as under another."

HAL C. CONRAD
CHIROPRACTOR.

DR. G. H. LEACH.

ITALIAN CRUISER SUNK BY TORPEDO

Most of Crew of Giuseppe Garibaldi Are Safe.

Rome, July 20.—A division of our old armored cruisers approached Cattaro and bombarded and seriously damaged the railway nearby.

While our vessels were retiring, they were attacked by enemy submarines and the cruiser Giuseppe Garibaldi, after having avoided the first attack, was struck by a torpedo and sunk. The crew remained calm and nearly all were saved.

OFF TO MEET VILLA FORCES

General Gonzales Leaves Mexico City With His Army.

Washington, July 20.—An official dispatch to the state department from Mexico City said General Gonzales and the Carranza army had "left the city" to take Pachuca. Earlier private reports said General Villa's southern column was approaching the capital.

The official dispatch said General Gonzales had left 5,000 men in the capital. Observers here thought it indicated he had gone to meet the Villa column.

Although the railroad from Mexico City to Vera Cruz has been restored, General Carranza has seized the line east of Apizaco for military purposes and has closed it to passenger and freight traffic until further notice.

Apizaco is at a junction with a branch line to Puebla, which is on the other railway operating between Mexico City and Vera Cruz. That line is working through to Pachuca.

Fifteen Persons Rescued From Flood.

Kenton, O., July 20.—Fifteen persons standing up to their necks in water and nearly drowned were rescued from a flood submerged house in the Scioto marsh near Foraker, a suburb of Kenton. While they were saving those endangered the water rose six inches in the marsh. It is feared that more residents of the marsh may be in similar straits and that loss of life may possibly have occurred.

Dardanelles Fight Cost Allies 42,434.

London, July 20.—The total casualties of the Dardanelles expeditionary force to date in killed, wounded and missing have been 42,434 officers and men, Premier Asquith told the house of commons.

STATEMENT TO THE CITIZENS OF POLK TOWNSHIP.

Inasmuch as the township board having been elected by the people and qualified for the office, they thereby become the agent and representative of the people in the administration and execution of the rights and privileges as conferred upon townships by the governing body of the state; and that the people in their wisdom have seen fit to place certain wise restrictions and limitations beyond which no township can go in the exercise of its rights and privileges, in that it shall possess no corporate powers, except such as are enumerated or granted by statute. The township cannot borrow money to conduct its business.

The township cannot anticipate its incoming revenue and issue warrants against this revenue for the purpose of paying its bills or handling an emergency.

The present condition of the public highways in our township and the county which occurred on the night of July 13th, produced by the elements over which no one has any control, are well known to all, and bring us face to face with an emergency against which no one could have provided.

We are advised that a way for relief is provided, and that it is up to the people of Polk township to grant that relief if their wisdom so decides.

The method of relief comes by way of a bond issue for Polk township upon which the people should express themselves.

It will require a considerable sum of money to make prompt repairs, just the amount necessary we are not sufficiently informed at this time, but we are now preparing an estimate; but with no funds on hand at this time with which to meet this emergency it can be very readily understood that the board can do absolutely nothing to make immediate and much needed repairs.

After the first of next January we could make repairs to the extent of the revenue and then quit again, as we are now compelled to do.

Simply and briefly put, the situation is this: The township board has no funds, they have no way to raise money and can go no further, and can make no further repairs and have to let the roads and highways stand just as they are until they receive the revenue for next year, thus leaving each one to work his own way out as best he can; on the other hand, an issue of bonds can be made and much of the needed repairs could possibly be accomplished yet this season. It is now squarely up to the people of Polk township to say what their wants and wishes are in the premises.

We will do our best in whatever is indicated by the people at this time with the purpose of remedying the present condition.

When we assumed the office there was turned over to us \$379.58, and since that time we have received \$1,846.37, making a total of \$2,225.95, all of which has been expended.

It will interest you to know that of the old special bond issue \$5,000.00 has been paid, reducing the amount outstanding to \$45,000.00.

Within a day or so our estimate of damage and amount needed will be complete and published. This entire matter will then be before you and up to you for decision. We are not inclined to push the matter at all, but believe it our duty to present the case to you as it is, and then your pleasure and decision is ours.

E. C. CURFMAN,
J. F. DOWDEN,
M. A. NICHOLAS.

NOTICE TO CONTRACTORS.

Sealed proposals will be received at the office of W. A. Rickenbrode, registrar of the Fifth District Normal school of Missouri, at Maryville, Mo., until 1 o'clock p. m., on the 30th day of July, 1915, for the installation of additions to the heating system of its main building. Proposals must be in accordance with the plans and specifications, copies of which may be had at the office of the registrar in Maryville, Mo., on or after July 24th. A deposit of a certified check for twenty-five (\$25.00) dollars will be required to guarantee the safe return of said plans and specifications. Proposals for this contract must be accompanied by a certified check for two hundred and fifty (\$250.00) dollars, amount made payable to George M. Kemp, treasurer, as a guarantee that should the bidder be awarded the contract he will execute the contract and give satisfactory bond within five days provided for in the specifications, or in case of failure to do so, said check to be forfeited and retained by the board as liquidated damages. The successful bidder will be required to enter into contract to have the work specified completed by the 14th day of September, 1915, or forfeit the sum of twenty (\$20.00) dollars per day for each and every day thereafter that work remains unfinished. The board reserves the right to reject any or all proposals.

Telephone Poles

The excessive rains have ruined many telephone poles, in the past few months, and as we are cleaning out our stock of white cedar, we offer you the following poles, in good condition, and while they last, at these very greatly reduced prices:

9 Poles—5-in. top, 14 ft. long.....	\$.65
12 Poles—6-in. top, 14 ft. long.....	.75
7 Poles—5-in. top, 16 ft. long.....	.75
42 Poles—6-in. top, 16 ft. long.....	.90
6 Poles—5-in. top, 18 ft. long.....	1.00
26 Poles—6-in. top, 18 ft. long.....	1.20
8 Poles—7-in. top, 20 ft. long.....	1.75
9 Poles—6-in. top, 10 ft. long.....	.50
10 Poles—7-in. top, 8 ft. long, anchor posts	.45
15 Poles—8-in. top, 8 ft. long, anchor posts	.70

E. C. Phares Lumber Company
EAST SIDE SQUARE

P. S. We also have a complete stock of red cedar poles. The prices are right of course.

PRINCE ALBERT

the national joy smoke

is such good tobacco you feel like you could just eat the smoke!

Yes, sir, P. A. puts a razor edge on your smoke-appetite-division that's nobby enough to be photographed! No other pipe and cigarette tobacco can be like Prince Albert, because **no other tobacco can be made like Prince Albert.** The patented process fixes that—and removes the tongue-bite and throat parch! Let that digest!

The toppy red bag, 5c

For you can put your little old blue-pencil O. K. right here that Prince Albert is a regular double-header for a single admission—as joy us to your tongue and taste one way as the other!

Will the "rollers" kindly step forward for a spell and get some of this listen into their systems? Because Prince Albert certain and sure jams more joy into a makin's paper than ever before was figured up on two hands!

In the plain language of the hills, you can't any more resist such makin's tobacco than a bullfrog can pass up a piece of red flannel! Because P. A. hands to you **everything any cigarette roller ever dreamed-out**—rare flavor, and aroma, and mildness, and body; absolutely the best bet—the best smoke

you or any other man ever did roll and put the fire to! Men, we tell you to wise up.

P. A. is crimp cut and stays put—which means rolling P. A. is as easy as falling off a log. And it's good to remember P. A. is put up in the toppy red bag especially for you "rollers." Sells for the price of a jitney ride, 5c.

Now, will the "pipers" kindly open both ears?

Here's tobacco that has made it possible for **three men to smoke pipes where one smoked before!**

Any way you hook it up, Prince Albert is **tobacco insurance!** Yes, sir, it guarantees your future as well as your present smokings! And just makes your tongue so jimmy pipe joy us that your smoke appetite grows whopping big. You men who "dassn't," we say you go to P. A., **natural-like!** Because there isn't a bite in a barrel of this national joy smoke.

Unlimber your old jimmy pipe! Dig it out of the dark corner, jam it brimful of P. A. And make fire with a match! Me-o-myl!

You get acquainted with Prince Albert in the toppy red bag, 5c; or tidy red tin, 10c, but for the double-heck-nation-joy, you buy a crystal-glass pound humidor. And then you're set! You see, it has the sponge-moistener top and keeps P. A. at the highest top-notch point of perfection. Prince Albert is also sold in pound and half-pound tin humidors.

The tidy red tin, 10c

DAILY DEMOCRAT-FORUM

LARGEST CIRCULATION OF ANY DAILY PAPER IN ANY MISSOURI TOWN ITS SIZE.

VOLUME 6.

MARYVILLE, MISSOURI, TUESDAY, JULY 20, 1915.

NO. 40.

BURLINGTON OPEN; WABASH IMPROVES

TRAINS RUN TO ST. JOSEPH NOW—START FREIGHT SERVICE.

ALL RIVERS FALLING; 102 IN BANKS HERE

Flood Damage is Being Gradually Removed and Normal Conditions Restored.

The train service on both the Wabash and Burlington through Maryville is now in fairly good condition, though all trains are slightly behind schedule, and the tracks are still slightly "shaky." The Burlington opened up its line from Creston entirely to St. Joseph late yesterday afternoon—much quicker than was believed would be possible.

No. 3 was the first to go through, leaving here at 6:30 o'clock last night for St. Joseph, while No. 19 came up an hour late last night. No. 5 went down a half hour late this morning, while No. 4 arrived from St. Joseph shortly before 1 o'clock this afternoon.

Freight service also was inaugurated today over this branch of the Burlington. A southbound freight arrived about 1:30 o'clock this afternoon, while a northbound freight reached here about 3 o'clock this afternoon. They are carrying light loads, however.

Wabash Gradually Improves.
The freight scheduled to come here from the north last night was stopped at Pickering through fear that it would "get hung up" on the bad track between here and Pickering.

The Villisca branch and Tarkio branch of the Burlington are still partially tied up, it was announced from division headquarters at St. Joseph this morning. A stub train was run to Burlington Junction this morning, but some of the line is still impassable.

The Wabash line is now open from Omaha to Stanberry, while the track from Stanberry to Gallatin may be passable tonight or tomorrow, E. L. Ferritor, local agent, announced this afternoon. The track is still in bad condition from Gallatin south towards Brunswick, however, it is announced.

Local freight service also was established on this division of the Wabash today. One was operated west from Stanberry, arriving here at 10:20 o'clock this morning, while an east-bound freight is scheduled to arrive in Maryville about 3:15 o'clock tomorrow afternoon.

Rivers Continue to Fall.
All passenger trains except Nos. 1 and 14, are now being operated, though slightly behind schedule.

Workmen are still doing repair work along the line in various places of both the Burlington and Wabash, in addition to the regular section forces. The biggest force on the Burlington is between Arkoe and Barnard, while the Wabash has the most repair men near Gallatin.

All rivers of Nodaway county are still falling today and the 102 river went back in its banks east of town this morning. There is still some overflow water, but most of it is standing water and will not drain off.

Visiting at Parnell.
Mr. and Mrs. Frank Reavis went to Parnell yesterday to spend a week visiting Mrs. Reavis' parents, Mr. and Mrs. A. A. Thummel.

SEEK HEATING SYSTEM BIDS

Normal Would Award Contract for Improvement July 30—Must Be Ready September 14.

Calls for bids for installing a direct radiation heating system in the Normal building this summer are now being made by W. A. Rickenbrode, registrar of the Normal school. It is provided that the successful bidder must have the system installed on or before September 14, a week after the fall quarter begins.

It also provides that the successful bidder must forfeit \$20 for each day required after that day to complete the work.

BOOSTERS PLAY JUNCTION TODAY.

Burlington Team Comes for Game at Normal This Afternoon.

The Maryville Boosters will play the Burlington Junction Boosters base ball team at the Normal grounds, beginning at 4 o'clock this afternoon. Both teams have a better lineup than usual so that a fast, close game is expected.

The Maryville Boosters will play Tarkio here next Thursday afternoon if the visitors can come.

CHANNEL BRIDGE WASHED OUT.

Sixty-Foot Steel Span Near Burlington Junction Carried Away.

A 60-foot steel bridge over the new channel of the Nodaway river at the Charles Walker farm, near Burlington Junction, was washed out Sunday.

The water of the Nodaway is falling but the congestion of driftwood, with the high water, endangers the bridges and it is feared others will be loosened.

OPEN UP STATE ROAD NOW.

Mend Highway East of Town Both at Wabash Viaduct and River.

The state road east from Maryville is now open to traffic. A force of men under George Lucas was put to work yesterday, making the necessary repairs to make the road passable across the river and also beneath the Wabash viaduct.

Several loads of crushed rock and cinders were dumped in the muddy and sunken place where the road goes beneath the Wabash tracks, bringing it into almost as good condition as the remainder of the road.

The place washed out between the two wooden bridges of the new channel, directly this side of the 102 river, also has been bridged temporarily and runs and cuts in the road made by the overflow water have been filled in.

SIMPSON WINS BOTH HURDLES.

Bosworth Hero, Who Got Laurels Here in 1913, Won in Chicago Meet.

Robert Simpson of Bosworth, who broke several records in the northwest Missouri high school meet at the Normal in 1913, has again gotten the laurels by capturing both the high and low hurdles in the central intercollegiate meet at Chicago Saturday.

Simpson won his favorite event, the high sticks, in 15 1-5 seconds, one-fifth of a second slower than he ran the race in the Missouri valley conference meet, and a week later in the western conference games at Urbana, Ill.

Simpson's capture of the low hurdles was another upset—that is, to the Chicago chartists. The Missouri star was slated to win the high hurdles all right, but he was stepping into mighty fast company in the low sticks, and the low sticks weren't quite Simpson's game, you know.

As a result of the afternoon's performance of the Missourian, he will compete in the exposition games at San Francisco, receiving \$100 toward his expenses.

TO LEAVE WARSAW

RUSSIANS PREPARE TO EVACUATE POLISH CAPITAL, REPORTED.

RUSS LINE IN DANGER

Invasion Are Drawing Close to Fortified Russian City—Also Whip Ends Around Pratecting Hosts.

London, July 20.—The Morning Post Budapest correspondent reports that the gradual evacuation of Warsaw has been ordered by the Russians.

The present colossal co-ordinate movement was developed with such suddenness and carried so far without meeting serious Russian resistance that more and more the British press is discounting the fall of the Polish capital, and while not giving up all hope of its retention, is pointing out the enormous difficulty the Russian armies have labored under from the start by the existence of such a salient.

Having been unable to straighten out their line by an advance through East Prussia in the north and Galicia in the south, the Russian have faced the pincers of the Austro-Germans and if these can now be sufficiently tightened Warsaw must go and with it the entire line.

According to the latest accounts, the Austro-German forces advancing from Praszysz were within forty miles of Warsaw, while to the south von Mackenzen's center was at certain points within ten miles of the Lublin-Chelm railroad.

Kaiser "On Eve of Coup."

London, July 20.—The Morning Post Petrograd correspondent says Emperor William has sent his sister, the queen of Greece, the following telegram: "I have paralyzed the Russians for at least six months and am on the eve of delivering a coup on the western front that will make all Europe tremble."

WATER SERVICE IS IMPROVED

Only Sand Point System is Used Now—Find Vacuum Pump Slightly Damaged.

The water service from the municipal water plant was slightly improved today, after several days' trouble, as a result of flood conditions. The stand pipe in the north part of town was almost filled last night by continuous pumping of both river and sand point water, so that only sand point water is being pumped today.

The fact that the stand pipe and mains contain some river water makes the supply still rilly, however, even though just sand point water is being supplied from the plant today. The stand pipe holds 150,000 gallons of water, so that the rolliness will continue perhaps until tomorrow.

The small vacuum pump, which is an auxiliary to the new pump at the plant, was examined yesterday afternoon and found to be only slightly damaged by the cave-in of the south wall recently and the water which flowed in as a result.

The tops of two oil cups were missing and the compressor slightly placed out of condition.

The work on the concrete wall to repair the damage done to the south wall, which caved in last Wednesday morning, is still progressing today.

CHANGE ONE BRIDGE FORCE.

County Surveyor and Force Repair Bridges West of City Today.

The force of men in charge of J. E. Reece, county surveyor and highway engineer, which has been repairing bridges north of Maryville, has now been moved to about four miles west of Maryville, on the state road. The bridge across a branch of the White Cloud near the Scott place is first being repaired.

Mrs. Alexander Here.

Mrs. Blake Alexander and children Maud, Phinney and George W., arrived in the city last night from Bushnell, Ill., to visit Mrs. Alexander's parents, Mr. and Mrs. W. F. Smith, and with Mr. Alexander's aunt, Mrs. Rodney Hamblen. Later, Mr. Alexander will join his wife here and together they will take a western trip visiting Yellowstone Park and the Pacific Coast. During their absence the children will remain with their grandparents.

Buyers Tilson Livery.

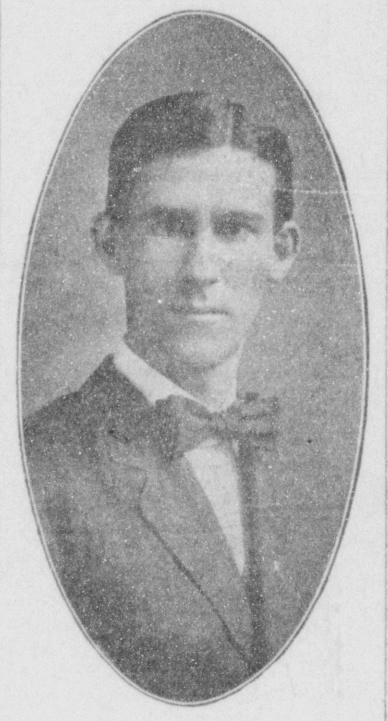

Q. A. Gilmore, west of Maryville, has purchased the livery of J. L. Tilson, East Fourth street, and will take charge within a few days.

A home-coming day in connection with the Chautauqua to be held at Elmo from August 9 to 14 inclusive is now planned by the directors.

CHURCH PLANS "UTTER DAY"

First Christian Bible School Will Hold Special Service for Retiring Superintendent, E. R. Utter.

Sunday will be designated as "Utter Day," with the First Christian church Sunday school and will be a farewell service for the superintendent, Prof. Ennis R. Utter, who leaves soon for

PROF. E. R. UTTER.

Berkeley, Cal., to enter the University of California for a year's study.

Since coming to Maryville a year ago as principal of the city high school, Mr. Utter has taken a zealous part in the Christian Bible school work and as superintendent of the school has done a great deal to make the services successful.

The committee in charge is arranging the program for the special service and it will be a very attractive one.

The desire of the committee is to have the attendance 700 on that day and special work is being done to obtain that number. The greatest number ever present at any previous service has been 642, and it is hoped to have "Utter Day," be a record breaker in numbers.

AGED RESIDENT BURIED.

Funeral Services for W. M. Cobb Held at Skidmore Today.

The funeral services of William M. Cobb, 75 years old, who died Sunday night at his home, near Skidmore, were held at 2 o'clock this afternoon at the Christian church of Skidmore, conducted by the pastor, the Rev. E. L. Cunningham. The burial was made in the Masonic cemetery.

Mr. Cobb is survived by a wife and one brother, the latter a resident of Iowa.

WENT 500 MILES FOR \$1.51.

Two Men Went Over 3 Roads in 3 Days from Parnell to St. Joseph.

It isn't everybody who can take a "see America first" trip as did two St. Joseph men, says the Gazette, who were caught by the floods at Parnell, Mo., Wednesday. They had a trip of three days and three nights, traveled over three railroads, made a journey of some 450 or 500 miles, and their railroad fare was only \$1.51 each.

Here's how it happened: They bought their tickets from Parnell to St. Joseph Wednesday morning and started out at 11 o'clock. When they reached Conception Junction they were turned back, reaching Des Moines at 9 o'clock the next morning. From the Iowa capital they were sent over the Rock Island to Allerton, leaving at midnight.

From Allerton the train was backed up the Rock Island's main line for fifteen miles to Seymour, where the train was transferred to the Milwaukee tracks, over which the run to Kansas City was made. From Kansas City to St. Joseph the Great Western tracks were used, and the two travelers reached home at 1 a. m. Saturday. The one ticket, costing \$1.51, was all that was needed, but the railroad didn't pay for meals. No lodging was needed.

Here from St. Joseph.

Miss Marie Perkins of St. Joseph arrived in Maryville Sunday night to visit her uncle and aunt, Mr. and Mrs. John Behm. She was accompanied by Miss Beatrice Behm, who has been spending the past two weeks in St. Joseph.

Mrs. J. Williams Home.

Mrs. Jerry Williams, who has been at Ensworth hospital, St. Joseph for the past two weeks recuperating from an operation for appendicitis was brought to her home in this city yesterday.

ELECT HIGH HEAD

GEORGE P. MCGREW, AUBURN, NEB., SUCCEEDS E. R. UTTER IN SCHOOL

WELL TRAINED FOR JOB

New Educator Principal Comes Highly Recommended—Is U. of N. Graduate—Has Taught 10 Years.

George P. McGrew, 34 years old, of Auburn, Neb., who has had ten years of teaching experience and is a graduate of a high school, state normal, and the University of Nebraska, was elected as principal of the Maryville high school for the 1915-1916 term, at a special meeting of the school board last night. He will succeed E. R. Utter, who will leave next month for Berkeley, Cal., to enter the California state university.

Mr. McGrew will receive \$1,200 per year, the same that Mr. Utter received. He appeared in person before the school board last night, but returned to Nebraska this morning. About a dozen other applications for the positions were considered. None was from persons residing in Nodaway county.

Nothing else was done by the board last night. All members attended.

Mr. McGrew will have general charge of the high school departments of the Maryville schools, and also teach some mathematics and charge of athletics, especially track work and basket ball.

Comes Highly Recommended.

Mr. McGrew is a graduate of the Auburn, Neb., high school, attended the state normal school at Peru, Neb., received an A. B. degree from the state university at Lincoln this year, and holds a professional life certificate to teach.

He is highly recommended by teachers at the university and at places where he has taught. They have been one year at Eagle, Neb.; two years at Trenton, Neb.; four years at Silver Creek, Neb.; one year at North Platte, Neb., and two years at Des Moines, Ia.

The election of Mr. McGrew was made after Victor I. Moore of Arlington, Texas, who had been elected at \$1,350 per year, to succeed Mr. Utter, asked to be relieved of the position. Mr. Utter came here from Trenton, and has been on the faculty only the last term. He attended Drake university at Des Moines, then taught in both Iowa and Missouri.

The entire faculty for the Maryville schools has now been selected, there being several changes made over last year. The school term will begin Monday, September 6.

The School Faculty.

The following will comprise the faculty of the Maryville public schools for the 1915-1916 term, beginning September 6:

Superintendent—William M. Westbrook.

High school principal—George P. McGrew.

High school—Miss Alicia Keeler, Miss Lois K. Halley, Miss Mabel Wells, Miss Laura Hawkins, Miss Helen Wright, Miss Dora Carpenter, Miss Virginia Robertson, Miss Mary Rooker and Paul Becker.

Central grades—Miss Mary Ford, Miss Golda Airy, Miss Phyllis Saylor, Miss Nellie Hudson, Miss Bertha Northeutt, Miss Alice Worst, Miss Edna Bonewitz, Miss Nellie Wray and Miss Margaret McDougal.

Franklin—Miss Dena Hartman, Miss Dale Hulet and Miss Vera Tilson.

Garfield—Miss Julia Denny, Miss Ella Hazelrigg and Miss Elizabeth Cook.

Jefferson—Miss Ada Albert, Miss Maymo Kane and Miss Myrtle Hogue.

Douglass—E. O. Boone, negro.

The new teachers will be Mr. McGrew, Miss Halley and Mr. Becker of the high school, Miss McDougal of the Central grades, Miss Tilson, Miss Cook and Miss Hogue of the ward schools.

LEVI KELLEY IN JAIL AGAIN.

State Takes Him in Tow to Serve Out Time—Requires a Month.

Levi Kelley, the much jailed man, who just recently emerged from the city jail, has been taken in tow by Sheriff Edwin Wallace to finish serving out his time for striking John Touhy with a brick a year ago. He has about a month yet to serve.

Kelley is not at all opposed to serving "time" at the county jail, it is said—at least he never appears to mind it.

BACK 30 YEARS; GETS REAPER

Paul Sisson Buys Self-Rake Mower to Cut in Softened Fields—Recalls Old Times.

The old timers of Maryville were set to talking this morning and many stories of the harvest methods of a generation ago were brought back in the limelight, when an old-fashioned, though new, self-rake reaper was received here today by W. W. Jones of W. W. Jones & Co. It was ordered by Paul Sisson, who has about 100 acres of his 118-acre crop to still harvest, two miles west of Maryville.

When the old-fashioned appearing mower was drawn down the streets people stopped and stared, and the old timers went wild with joy. It was like seeing an old friend, despite the cussings they used to give the back-breaking contraption in the days of their youth.

The reaper, which costs \$75 now, but cost all the way from \$150 to \$200 when in general use, has four rakes, which revolve around in the center of the machine. In general use all but one merely turns the uncut grain towards the sickle, while the other rakes the cut grain from the platform onto the ground, where several men, following behind, bind it and shock it.

Mr. Sisson expects to be able now to cut the wheat without much material delay, because of the lightness of the reaper, compared to the present-day binder. Although the reaper is heavier than a mower, it is far lighter than the binder, and does better work than a mower would by placing the cut grain in a pile.

Several other farmers in the county are intending to order reapers, Mr. Jones are intending to order reapers, Mr. Jones said, if the one bought by Mr. Sisson proves successful. In the meantime many are cutting their wheat with a mower.

The reaper now is used mostly in hilly country, low, swampy land, and for foreign trade.

CHAUTAUQUA TICKETS ON SALE.

Illustrated Booklets and Program of Week's Lyceum Also Are Distributed.

The tickets for the Chautauqua, to be held at the Normal park from August 6 to 12 inclusive, are now on sale in various store and business establishments of the city, besides at the office of W. R. Jackson, local manager, at the rooms of the Commercial club.

Nicely engraved illustrated booklets and program of the week's outdoor lyceum also arrived yesterday and are being distributed to patrons from the various business establishments this week.

MAKES MANY DETOURS FOR HOME

Richard Swords, Marooned by Flood While on Road, Overcomes Many Difficulties.

One of the Maryville men who were out of town when the flood struck last week, thereby tying up train service, was Richard Swords of the McCaffrey & Swords grocery firm, who also travels for a Kansas City wholesale grocery house.

Mr. Swords was at King City when the flood struck. He drove from that town to Whitesville, crossed the Plate river by boat, took a tie pass to Rea, drove as far as he could towards Rosendale, then took a handcar as far as possible, then telephoned for a Savannah livery.

Reaching Savannah, he was fortunate enough to run across Bert Staples of Burlington Junction, who was driving home by motor car. He arrived in Maryville Friday night.

To Hospital by Motor.

Mrs. Henry L. Foster of Maryville was taken to the Ensworth hospital at St. Joseph Saturday to undergo an operation, in a "double-header" motor car. One car was used to help the other over the bad roads.

Return to St. Joseph.

Mrs. John Koch and daughter, Katherine, of St. Joseph, who have been spending the past two weeks visiting Mrs. Isabelle Worst, Mr. and Mrs. C. D. Hooker and Mr. and Mrs. C. D. Koch and families, left this morning for their home.

CITY TO RESTART ONPAVINGDRAFTS

COUNCIL MAY THROW OUT 4 RESOLUTIONS, GRADE ORDINANCES.

PROPOSE TO INCLUDE 4 WEST BLOCKS NOW

Would Pave Grand, Third to Fourth, and Fourth to Main—Find Former Acts Were Wrong.

The city plans to start all over again and take up the paving matter at a special meeting tonight where it left off some time ago, and throw out the work half performed July 13. That is the announcement made today by W. H. Crawford, city attorney, and F. L. Flynt, city engineer.

The decision to throw out the four paving resolutions adopted July 13 for paving twenty blocks of the thirty-five proposed blocks was made today, because of the desire to pass all paving acts at one time, and to correct errors made in one or two of the resolutions adopted then.

Very little else will come up for consideration tonight, except probably to consider an ordinance bill which provides for levying a special tax against those property owners on Short street from First to Second who have failed to install sidewalks there as recently ordered.

Proposed Paving.

The resolutions and grade ordinances prepared for consideration tonight provide for the following paving:

Thompson, Walnut to Main, 4 blocks. Fifth, Market to Dunn, 7 blocks. Dunn, Fifth to Normal avenue, 1/2 block.

Ninth, Mulberry to Normal grounds, 4 blocks.

Third, Frederick to Grand, 4 blocks. Grand, Third to Fourth, 1 block. Fourth, Grand to Munn avenue, 3 blocks.

Jenkins, Market to Main, 1 block. Edwards, Market to Main, 1 block. Market, Third to Edwards, 6 blocks, or Market, Third to alley north of First, 1 1/2 blocks.

Mulberry, Ninth to Twelfth, 3 blocks. Twelfth, Mulberry to Prather avenue, 1/2 block.

Prather, Twelfth to west city limits, 4 blocks.

WILL SHOW "QUO VADIS."

Fern Theater Will Portray Famous 8-Act Photoplay Tomorrow.

"Quo Vadis," the famous photoplay in eight acts, will be shown again at the Fern theater. A special matinee for children and women will be given tomorrow afternoon and one show tomorrow night, James Ellis, manager, announces.

GAYNOR ITEMS.

(Delayed from last week by flood.) Mrs. John Koger was called to Bradburyville, Ia., Saturday by the illness of her grandmother.

Mr. and Mrs. H. P. Johnston and family, Miss Lizzie Whitten and Miss Alta Herbert of Hopkins spent Sunday at the home of Mr. and Mrs. Harry Smith.

Mr. and Mrs. Theodore Jackson and family spent Sunday visiting Mrs. Jackson's parents, Mr. and Mrs. Jesse Hall of Sheridan.

Mrs. William Hendry has returned to her home, north of Hopkins, after a visit with friends in Gaynor.

Mrs. M. M. Johnson of Clay Center, Neb., is visiting her sister, Mrs. Jane Daugherty.

Guests at Trullinger Home.

Mrs. Al W. Brown and daughters, Helen Irene, Halcyon and Maxine, of Manhattan, Kan., are visiting in the city the guests of Mr. and Mrs. Henry Trullinger.

THE WEATHER

Generally fair with probably showers tonight or tomorrow.

Nodaway County**

If ignorance were bliss in all cases,
a lot of us would die of joy.

SAME IS TRUE IN NODAWAY.

Prosperity note from the Burlington Hawkeye: Don't lose any sleep worrying about the condition of Iowa crops. Iowa crops have a way of getting there in spite of hares and high water.

When goats and rabbits go to war conditions must be desperate, indeed. Yet that is exactly what is going on in Kansas City. Prendergast "goats" and Shannon "rabbits" are engaged in a

bitter warfare in the city council, and appropriations for carrying on the city's business are tied up. In the meantime the city and citizens generally seem to be the real goats in the case.

Home for Vacation.

Miss Lula Todd and Miss Donna Sisson, who have been spending the past six weeks traveling in the east and Canada, arrived in Maryville yesterday morning. Miss Sisson spent the past school year studying at Pratt Institute, Brooklyn, N. Y., and Miss Todd is teaching in the public schools of Hammond, Ind. After a visit in New York City the young women visited Montreal, Toronto and the Thousand Isles, Canada, making a lake trip from Buffalo, N. Y., to Chicago enroute home.

Has Record Pie Plant.

E. E. Tilton displayed a pie plant stalk and leaf at the court house today that perhaps is a record breaker. The stalk and leaf combined measure about 4½ feet, while the leaf is about 3 feet across.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio.
Sold by Druggists, etc.
Take Hall's Family Pills for constipation.

WILL ADDRESS STUDENTS

Supt. J. A. Whiteford of St. Joseph Schools Will Speak at State Normal School.

Superintendent J. A. Whiteford of the St. Joseph schools is in Maryville this week to give a series of addresses at the State Normal school.

Yesterday afternoon at 3:10 o'clock Mr. Whiteford gave an address on the subject, "The High School Course of Study."

This morning at the assembly hour Mr. Whiteford spoke from the subject "Value of Principles in Teaching." He will also speak in assembly both Thursday and Friday mornings. On Thursday morning Mr. Whiteford's subject will be "Causes of Failures," and the one for Friday will be announced later.

The afternoon address of Mr. Whiteford will be given daily at 3:10 o'clock in room 221, and the subjects are as follows:

Tuesday, July 20—"The Best Use of the Teacher's Time in the Class Room."

Wednesday, July 21—"The Best Use of the Teacher's Time Out of the Class Room."

Thursday, July 22—"The Improvement of Teachers in Service."

All high school teachers and others not in class at the afternoon hour are invited to attend the lectures.

AGED RESIDENT DEAD.

Funeral Services of Isaac Gill Will Be Held Tomorrow.

Isaac Gill, an aged resident of the city, died at 4 o'clock yesterday afternoon at his home, on South Depot street.

The funeral services will be held at the home tomorrow afternoon.

NEIGHBORS TO BUILD BRIDGE.

Ask County to Buy New Lumber Needed for Span Across Spring Creek.

A. L. Oakerson, living southwest of Maryville came to town today to get new lumber for a private bridge on his farm and also to confer with the county court relative to rebuilding a bridge across Spring creek, 5½ miles west and 3 miles south of Maryville.

Mr. Oakerson and other farmers in that neighborhood agree to rebuild the bridge if the county will furnish what new lumber and supplies are necessary, such as stringers and one new piling. It is estimated to cost about \$30. The neighbors recently dragged the old bridge back from where it had lodged, a mile down the stream.

Graham Couple Married.

Roy McGrew, 22, and Cecil Kaufman, 19, both of Graham, secured a marriage license in the office of the recorder of deeds, and were married yesterday afternoon by Probate Judge W. H. Conn.

WOMEN WIN IN CONTEST.

Men's Class Will Banquet Amomias Friday Night at Baptist Church.

In an attendance contest between the Men's Bible class and the Amomias class of the First Baptist church, which closed Sunday, the first named were the losers, and because of that, in accordance with the terms of the contest, will banquet the Amomias class Friday night at the church.

The attendance in the men's class, which has been averaging 53 each Sunday, was 32 Sunday morning, and the attendance in the women's class, which has been averaging 22, was 53. The terms of the contest were based on the proportionate gain in attendance.

The services of the day Sunday were held in the church yesterday, after a

vacation of several weeks while the church was being remodeled. During that time the meetings were held in the high school auditorium.

The Men's Bible class is taught by the pastor, Rev. L. M. Hale, and the Amomias class by Mrs. Flora Quinn.

There is Real Satisfaction in Every Puff of Prince Albert.

Every time you smoke Prince Albert tobacco in a pipe or rolled into a cigarette you will like it better. You will like its flavor, and you will like its wholesome aroma; you will particularly like it because it will not bite your tongue or parch your throat.

Prince Albert is the kind of a smoke men have sought for years. The patented process by which this brand is made has revolutionized pipe and cigarette tobacco. No other tobacco ever was, or can be, like Prince Albert.

Don't lose any time getting Prince Albert, for it will give you more tobacco satisfaction than you have ever before had. You can smoke it all day and your tongue will not be sore.

The whole thing is to know for yourself just how good Prince Albert really is. Sooner you buy a tin for 10 cents, the sooner you will understand

that Prince Albert will make your pipe and cigarette smoking more enjoyable than any other tobacco you can buy.

To smoke all you want all day; to get real tobacco satisfaction without a sore tongue is just what you need in tobacco. Prince Albert will prove true to every statement made about it. In 5-cent bags and 10-cent tins at stores that sell tobaccos.

SHINGLES-NAILS

In recent years much complaint has been made of the shingles received in this section of the country, and justly made, too, for the wood shingles have not given the service they should have given.

If you happen to be among those who are so unfortunate as to have a poor roof, just take a few minutes, examine it, and give the reason for its bad condition.

Your reason will be the same as the one given by ninety-five per cent of all the causes of damaged roofs, and that is: The nail has rusted off, the shingle pulled out, and finally the wind carries it away.

If you contemplate a new roof, let us show you our **SOLID ZINC NAILS** (not galvanized), and a shingle that is **100 PER CENT CLEAR OF BOTH SAP AND KNOTS** and every shingle vertical grain.

A combination of our shingles and our zinc nails, will undoubtedly mean a good roof for twenty-five to thirty years.

Name _____

Address _____

at \$6.40 to \$7.25, and Oklahoma grassers weighing 900 pounds at \$6.80 were considered higher than they would have sold last Thursday.

Ten loads of R. E. Gatewood's steers, around 1,200 pounds, from north Texas, brought \$8.40 in the quarantine division. Stockers and feeders sold slightly better, but without any special dash. In the hog yards the supply was 5,000 head, market steady to five lower for an hour or two, during which time order buyers made their purchases, up to \$7.70, including choice heavies at \$7.65.

Packers bid 10 to 15c lower prices, paying \$7.35 to \$7.50 for most of their hogs, around \$7.30 for rough heavy weights. Provisions prices have sharply declined recently because of England's interference with shipments to neutral countries, and recent weakness in hog prices is traced to that cause.

Prophecy is made that hog prices will decline till England abides by the rule of international laws and ceases to interfere with shipments of food products, which laws the state department at Washington is demanding shall be enforced.

Sheep and lamb receipts are 6,000 head. Lambs dropped close to \$1.50 in value last week, but sales today were still lower, top \$7.60, paid for several strings of Arizona spring lambs. Sheep prices are holding up well, some Arizona ewes today at \$6.50, 110 pounds average. Aged sheep prices are considerably above Chicago, because of scarcity here.

Demand for breeding sheep and feeding lambs is developing, and promises to be very heavy. Recently there has been practically nothing in either line offered, a few feeding lambs today at \$7.25.

ON CHAUTAUQUA CIRCUIT.

Raymond Watson Touring West and Southwest—Visits Former Maryville Family.

The following clipping is taken from the Weatherford (Okla.) Democrat, of which N. S. DeMotte is editor and publisher. Mr. DeMotte was formerly connected with The Democrat-Forum, and with his family, resided in this city.

Mr. Watson is spending the summer vacation in the employ of a Kansas City Chautauqua bureau:

"Raymond Watson, a friend of several years standing of the editor and his family, was the ticket seller at the Chautauqua. Mr. Watson is a student at the Missouri state university and will graduate this next year. He is a graduate of the Maryville, Mo., Normal school, and has taught school for several years, being for three years principal of the Bolekow, Mo., schools. He is putting in his vacation time seeing some of the country and gaining part of his expense money for next year. His father is a wealthy farmer near Maryville, Mo."

Harvey McClary returned Sunday from a western trip of several weeks, during which he visited places of interest in Colorado and New Mexico.

SOCIETY and CLUBLAND

By KATE SCHENCK
PHONES—OFFICE 42 HOME 683

To Give Pre-Nuptial Shower.

Miss Ruth Montgomery will entertain with a handkerchief shower Wednesday afternoon as a pre-nuptial courtesy to Miss Grace Louise Sturm.

To Entertain Society.

Mr. and Mrs. W. A. Miller will entertain the Christian Endeavor society of the First Christian church at their home, on South Main street, Friday night.

To Give Kensington.

Misses Hettie and May Anthony will give a Kensington and luncheon Thursday afternoon, when their guests are bidden to meet their sister, Mrs. Charles Lippman of St. Louis.

Society to Meet.

The Women's Missionary society of the Buchanan Street Methodist church will meet at 2:30 o'clock tomorrow afternoon at the home of Mrs. S. C. Clark, 707 East Jenkins street.

Circle to Meet.

The usual meeting of the Mary Lawrence Circle of the First Christian church will be held tonight at the home of Mrs. Edward Egley, on North Main street, with Miss Thella Hogue and Miss Phyllis Saylor as hostesses.

Gilberts Entertain.

Mr. and Mrs. W. H. Gilbert were the hosts of a dinner given at noon today complimentary to Miss Hazel Porter and her sister, Miss Gertrude Porter. The latter is from Kansas City and is visiting in Maryville with her parents, Mr. and Mrs. W. B. Porter.

Guests at Signs Home.

Mrs. G. Edward Lippman and children, Pierce and Marjorie, and Miss May French of St. Louis, who are visiting their mother, Mrs. M. A. Martin, are house guests for a few days this week of Mr. and Mrs. Edward Signs, at their home, on East Fourth street.

Mr. and Mrs. Cockayne Entertain.

Mr. and Mrs. Charles Cockayne gave a dinner party Sunday noon at which they entertained Mr. and Mrs. Carl Murray and daughters, Bessie May and Helen; Mr. and Mrs. Grant Trusty, Miss Sara Tanner, Miss Hortense Van Zant and Misses Averill and Sybil Tibbels.

Dawson Dinner Party.

Mrs. Callista Dawson and daughter, Miss Eva Dawson, were the hostesses of a dinner party given at noon Sunday at their home, on West Second street. Plates were laid on Mrs. Cora Fowler and son, Dawson, of Edina, Mo.; Mrs. Josie Cadwell and daughter, Kitty Jane, of Caney, Kan.; Mr. and Mrs. John M. Dawson and the hostesses.

Miss Reuillard Hostess.

The members of the Hum Drum club were entertained with a charmingly arranged afternoon luncheon given by Miss Ruth Reuillard at the Reuillard home, on East Fourth street, yesterday for the pleasure of Mrs. Arch A. Carter, nee Miss Hazel Everhart, who is here for a visit of several weeks. The color plan was carried out in yellow, and yellow nasturtiums were used throughout the rooms in decorations.

Mrs. Daugherty Hostess.

Mrs. Jane Daugherty, living near Gaynor, entertained a few friends Saturday night for the pleasure of her sister, Mrs. M. M. Johnston of Clay Center, Neb., who is visiting at her home. The guests were Mrs. Johnston, Mr. and Mrs. H. P. Johnson, Mr. and Mrs. George Hepburn, B. F. Gilmore, Miss Eva Hollensbeck, Carol and Walter Johnston, Dorothy and Jimmie Hepburn and Charles Daugherty.

Mrs. M. A. Martin Entertains.

A family dinner party at which plates were laid for eighteen was given last night by Mrs. M. A. Martin at her home on South Buchanan street for the pleasure of her daughters, Mrs. G. Edward Lippman and Miss May French of St. Louis who are visiting in the city. The guests were Mrs. Lippman and children, Pierce and Marjorie, Miss French, Mr. and Mrs. C. E. Signs, Mr. and Mrs. W. C. Pierce, Mr. and Mrs. Fred French and son, Mrs. Lizette Lippman, Mrs. Kate Gaddis, Mrs. B. G. Ford and daughters, Ottilie and Helen, and Miss Dorothy Pierce.

Surprise Party.

Miss Verna Cort was very pleasantly surprised Friday evening, when a number of her friends gathered at her home, near Gaynor, unannounced, to spend the evening. The guests were Mr. and Mrs. Charles Gonser, Mr. and Mrs. D. D. Cort, Misses Lois Bosch, Carol Johnston, Nannie and Elva Heflin, Hazel Florea, Verla Brown, Lucile Husbands, Sarah Wray, Edna King, Lola Caudle, Messrs. Fay Florea, Carl Killion, Lloyd Killion, George Barton, Paul Caudle, Leonard Bosch, Harry

The Patron Club of Booster Miss Lila Tabler Won the First Prize of 11 Certificates, Redeemable at Our Store in Simon L. and Geo. H. Rogers' Table Silverware

Booster Mrs. Iona Appleby and her Patron Club won the second prize of eleven silver certificates. Each of these silver certificates can be exchanged for its corresponding value in silverware, at not a cent of cost.

SPECIAL TO PATRONS.

Get together this week, talk it over with your fellow members. If you will anticipate some of your wants and have your fellow members do the same, you can win on which ever week you decide. Remember we are always glad to answer questions.

BOOSTERS, it pays to advertise. One of the best ways to advertise that you are a member of the Booster Club and want your friends to help you, is to place some evidence of your work before the public. One of the most public places in town is our show-window. To help you along, we are going to give each Booster an opportunity to decorate our display window. Each Booster will have one display. Think up some original design, and ask us for suggestions. Give us your name now, that we may save a week for you. Come to the store and we'll tell you more about it.

Remember! Elgin Gold Watches Free!!

One watch will be given at the end of four consecutive weeks after the count on MONDAY, JULY 19th, to the Booster who casts the most Booster Coupons during the period of four weeks. All coupons cast in these contests count on the Grand Prize for the Booster in the Booster Club Campaign, but all Boosters start even in each watch contest of four weeks; thus each Booster, high or low in the Club, has the same opportunity in each watch contest. Any Booster having won a watch from the store will not be allowed to enter the following watch contests.

In case of a tie the premium will be sold and the money divided.

This first Watch Contest is from MONDAY, JULY 19th, to MONDAY, AUGUST 16th.

MUSIC WILL BE FURNISHED SATURDAY BY BOOSTER REBECCA SHELL.

OUR PATRON CLUB SPECIAL FOR NEXT WEDNESDAY IS MEN OR BOYS' GLOVES.

Gives Morning Party.

A pleasurable affair, and one of the most delightful of the numerous pre-nuptial compliments being given Miss Grace Louise Sturm, was a morning party given by Miss Neva Airy today at the Airy home on West Fourth street. Vases and baskets filled with cosmos and nasturtiums added attractiveness to the rooms where the game tables were placed. Miss Sturm was awarded the courtesy favor and the game prize was won by Miss Dale Hoffman. Miss Airy was assisted by her mother, Mrs. C. H. Airy, and her sister, Miss Golda Airy in entertaining her guests, who were Miss Sturm, Mrs. Cleve J. Funk, Mrs. Dale Bellows, Miss Allie Jean Fraser, Miss May Gowney, Miss Carrie Margaret Baker, Miss Anna Baldwin, Miss Martha Koch, Miss Mildred Robinson, Miss Ruth Montgomery, Miss Mary Foster and Miss Margaret Foster of Des Moines, Ia., who are visiting at the home of Mrs. W. T. Garrett; Miss Glen Hotchkiss, Miss Hildred Hanna, Miss Geneva Wilfley, Miss Ora Barmann, Miss Marjorie Wilfley, Miss Dale Hoffman, Miss Ruth Reuillard, Miss Eleanor Smith and Miss Kitty Gremms.

DRUMMERS HAD TO SWIM HOME.

High Water Led to Exciting Adventures for Missouri Salesmen.

The experience of thirteen traveling salesmen in Missouri during the last few days while the water has been over the railroad tracks and in some of the towns will stick to their memories a long time, says the Kansas City Star.

After several days of wading, swimming, boating and horseback riding, they finally managed to reach Kansas City.

They arrived at Stanberry last Tuesday night on a Wabash train that was late. They went to bed that night and all was well. In the morning the town was under water, the railroad tracks had been washed out, several houses carried off the foundations, bridges out, and even the floor of the depot was covered with water. Stanberry would be marooned for some time.

The party had to wait there until Friday before they could even think of driving to Conception Junction, where they believed they could get the Great Western. Going to Conception nearly all the bridges were washed out. The men had to lay planks across the streams and lead the horses across, and then go back and pull the buggies across by hand. Now and then someone slipped into the streams, but they didn't mind it.

The Great Western ran a special train to Wyeth, but had to stop there. Several thousand feet of track had been washed out. There was no hotel or boarding house in Wyeth, so the party brought all the cheese and crackers in the general store. It was time to retire, but they had no place to go.

So they hired a farmer to take them to Rosendale in a wagon. They found Rosendale under water, and thought they might be able to get the Burlington out of there. The Burlington was under water, too. They started to cross the river in a boat, but could not find any boats.

Finally they found a railroad bridge loaded with freight cars filled with ballast and walked across the river on

top of the cars. Then they had to walk five miles to a farmhouse, where some motor cars came after them from Savannah. From Savannah they crossed over to St. Joseph and dry land on the electric line.

Home from Dakota.

Miss Alma Lucas returned yesterday from a visit of several months at Volk, S. D., where she was the guest of her uncle and aunt, Mr. and Mrs. G. A. Wilson. She was accompanied by her small cousin, Frances Gertrude Wilson, who will visit the remainder of the summer with her uncle and aunt, Mr. and Mrs. George Lucas.

Carr Bridge Goes Out.

The Carr bridge, south of Maryville, on the Savannah road, went out in the recent floods, according to a report to W. M. Blackford, presiding judge of the county court.

BUSINESS DIDN'T CEASE.

Bar tender at St. Joseph Saloon Served Drinks Standing in Water Waist Deep.

Several county officers went to the saloon at St. Joseph place on One Hundred and Two river recently to view the flood and found the bartender working waist deep in water, serving drinks to a thirsty crowd of motorists, whose cars were parked a quarter of a mile this side of the water, and who had entered the saloon in rowboats.

"The icebox was afloat," said one of the officers, "and an assistant bartender was on hand with a bathhook to hold your boat steady while you took your refreshments."

"The river current swept through the west doors and windows; and in a way this was an advantage, as it carried away all corks, empty crates and refuse from the lunch counter."

High Cost of Building

There is much dissatisfaction in painting here and so much complaint of high cost. There is a reason. The reason is you contract with the builder and pay three profits for a cheap grade of work. One to the builder, one to the material man and one to the painter. You could save from 25 to 30 per cent by contracting direct with the painter. Our prices are, two-coat work, 14c square yard, paint included; paper hanging, 10c per roll, common lap work, border included; rooms varnished, \$2.00 up; rooms enameled, \$2.00 up; rooms papered, \$3.50 up, paper included.

W.G.Gross

824 North Fillmore.
Hanamo phone 4690.

"There was no loafing in that saloon because as soon as you had refreshed yourself the bathhook let go and you floated out. There was a strict observance of the law, too, as regards chairs and tables, and there was no sign of any electric piano or shoe shining stand. In a way it's a model saloon."—St. Joseph News-Press.

REAL ESTATE TRANSFERS.

MISSOURI SUFFERERS

FIND GREAT REMEDY

Thousands needlessly suffer from stomach ailments, handicapped in their work and pleasure. The stomach is the mainspring of life and the body cannot run without it.

You want to be well quick. A great many people in Missouri and thousands all over the country have found the way to health by the use of Mayr's Wonderful Remedy. The first dose shows results. Here are the words of two Missourians:

Mrs. J. B. Trullinger of Norborne, Mo., wrote: "Words cannot express my appreciation of your medicine. I have felt fine all summer and fall. Am gaining weight."

W. T. Jennings, cashier of Bank of Bois D'Arc, Mr., writes: "Please send four more bottles of the stomach remedy. Both my wife and I use this medicine and think it truly wonderful."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

SCIENTISTS ON ADVISORY BOARD

Daniels Asks Eight Organizations to Make Selections.

EACH TO NAME TWO MEMBERS

Sixteen Men to Make Up, With Chairman Edison, Advisory Commission of Invention Bureau Thus Chosen. Announcement of Secretary of Navy.

Washington, July 20.—Sixteen American scientists to make up with Thomas A. Edison as chairman the advisory board of the proposed bureau of invention in the navy department will be selected by leading scientific societies of the country. Secretary Daniels announced he had written to the presidents of eight societies asking that two members be selected by each organization to become members of the board.

The following are the societies addressed: American Chemical Society, President Charles H. Herty of Chapel Hill, N. C.; American Institute of Electrical Engineers, President Paul M. Lincoln of Pittsburgh; American Institute of Mining Engineers, President Benjamin B. Thayer of New York; American Mathematical Society, President E. W. Brown of Yale university; American Society of Civil Engineers, President Hunter Macdonald of Nashville, Tenn.; American Society of Mechanical Engineers, President James Hartness of Springfield, Vt.; American Aeronautical Society, Acting President Frederick W. Parker of New York; Inventors' guild, President Edward Weston of Newark, N. J.

DR. CLAXTON UNDER FIRE

Son of Revolution Attacks Commissioner of Education.

Portland, Ore., July 20.—A resolution that President Wilson be asked to dismiss P. P. Claxton, United States commissioner of education, because of sentiments derogatory to the United States flag he was reported to have expressed in a speech two years ago in Boston, caused a commotion here at the first session of the twenty-sixth annual congress of the Sons of the American Revolution.

The resolution which was introduced by Christopher W. Horr of Seattle, was greeted with hisses, but was finally referred to the resolutions committee without debate.

In the Boston speech Commissioner Claxton said, according to an excerpt read in the convention:

"After all, the people of the world care very little what flag they live under. A flag means nothing. It is not a reality. They can live under one combination of colors as well as under another."

ITALIAN CRUISER SUNK BY TORPEDO

Most of Crew of Giuseppe Garibaldi Are Safe.

Rome, July 20.—A division of our old armored cruisers approached Cattaro and bombarded and seriously damaged the railway nearby.

While our vessels were retreating, they were attacked by enemy submarines and the cruiser Giuseppe Garibaldi, after having avoided the first attack, was struck by a torpedo and sunk. The crew remained calm and nearly all were saved.

OFF TO MEET VILLA FORCES

General Gonzales Leaves Mexico City With His Army.

Washington, July 20.—An official dispatch to the state department from Mexico City said General Gonzales and the Carranza army had "left the city" to take Pachuca. Earlier private reports said General Villa's southern column was approaching the capital.

The official dispatch said General Gonzales had left 6,000 men in the capital. Observers here thought it indicated he had gone to meet the Villa column.

Although the railroad from Mexico City to Vera Cruz has been restored, General Carranza has seized the line east of Apizaco for military purposes and has closed it to passenger and freight traffic until further notice. Apizaco is at a junction with a branch line to Puebla, which is on the other railway operating between Mexico City and Vera Cruz. That line is working through to Pachuca.

Fifteen Persons Rescued From Flood.

Kenton, O., July 20.—Fifteen persons standing up to their necks in water and nearly drowned were rescued from a flood submerged house in the Scioto marsh near Foraker, a suburb of Kenton. While they were saving those endangered the water rose six inches in the marsh. It is feared that more residents of the marsh may be in similar straits and that loss of life may possibly have occurred.

Dardanelles Fight Cost Allies 42,434.

London, July 20.—The total casualties of the Dardanelles expeditionary force to date in killed, wounded and missing have been 42,434 officers and men, Premier Asquith told the house of commons.

STATEMENT TO THE CITIZENS OF POLK TOWNSHIP.

Inasmuch as the township board having been elected by the people and qualified for the office, they thereby become the agent and representative of the people in the administration and execution of the rights and privileges as conferred upon townships by the governing body of the state; and that the people in their wisdom have seen fit to place certain wise restrictions and limitations beyond which no township can go in the exercise of its rights and privileges, in that it shall possess no corporate powers, except such as are enumerated or granted by statute. The township cannot borrow money to conduct its business.

The township cannot anticipate its incoming revenue and issue warrants against this revenue for the purpose of paying its bills or handling an emergency.

The present condition of the public highways in our township and of the county which occurred on the night of July 13th, produced by the elements over which no one has any control, are well known to all, and bring us face to face with an emergency against which no one could have provided.

We are advised that a way for relief is provided, and that it is up to the people of Polk township to grant that relief if their wisdom so decides.

The method of relief comes by way of a bond issue for Polk township upon which the people should express themselves.

It will require a considerable sum of money to make prompt repairs, just the amount necessary we are not sufficiently informed at this time, but we are now preparing an estimate; but with no funds on hand at this time with which to meet this emergency it can be very readily understood that the board can do absolutely nothing to make immediate and much needed repairs.

After the first of next January we could make repairs to the extent of the revenue and then quit again, as we are now compelled to do.

Simply and briefly put, the situation is this: The township board has no funds, they have no way to raise money and can go no further, and can make no further repairs and have to let the roads and highways stand just as they are until they receive the revenue for next year, thus leaving each one to work his own way out as best he can; on the other hand, an issue of bonds can be made and much of the needed repairs could possibly be accomplished yet this season. It is now squarely up to the people of Polk township to say what their wants and wishes are in the premises.

We will do our best in whatever is indicated by the people at this time with the purpose of remedying the present condition.

When we assumed the office there was turned over to us \$879.58, and since that time we have received \$1,846.37, making a total of \$2,725.95, all of which has been expended.

It will interest you to know that of the old special bond issue \$5,000.00 has been paid, reducing the amount outstanding to \$45,000.00.

Within a day or so our estimate of damage and amount needed will be complete and published. This entire matter will then be before you and up to you for decision. We are not inclined to push the matter at all, but believe it our duty to present the case to you as it is, and then your pleasure and decision is ours.

E. C. CURFMAN.

J. F. DOWDEN.

M. A. NICHOLAS.

NOTICE TO CONTRACTORS.

Sealed proposals will be received at the office of W. A. Rickenbrode, registrar of the Fifth District Normal school of Missouri, at Maryville, Mo., until 1 o'clock p. m., on the 30th day of July, 1915, for the installation of additions to the heating system of its main building. Proposals must be in accordance with the plans and specifications, copies of which may be had at the office of the registrar in Maryville, Mo., on or after July 24th. A deposit of a certified check for twenty-five (\$25.00) dollars will be required to guarantee the safe return of said plans and specifications. Proposals for this contract must be accompanied by a certified check for two hundred and fifty (\$250.00) dollars, amount made payable to George M. Kemp, treasurer, as a guarantee that should the bidder be awarded the contract he will execute the contract and give satisfactory bond within five days provided for in the specifications, or in case of failure to do so, said check to be forfeited and retained by the board as liquidated damages. The successful bidder will be required to enter into contract to have the work specified completed by the 14th day of September, 1915, or forfeit the sum of twenty (\$20.00) dollars per day for each and every day thereafter that work remains unfinished. The board reserves the right to reject any or all proposals.

Telephone Poles

The excessive rains have ruined many telephone poles, in the past few months, and as we are cleaning out our stock of white cedar, we offer you the following poles, in good condition, and while they last, at these very greatly reduced prices:

9 Poles—5-in. top, 14 ft. long.....	\$.65
12 Poles—6-in. top, 14 ft. long.....	.75
7 Poles—5-in. top, 16 ft. long.....	.75
42 Poles—6-in. top, 16 ft. long.....	.90
6 Poles—5-in. top, 18 ft. long.....	1.00
26 Poles—6-in. top, 18 ft. long.....	1.20
8 Poles—7-in. top, 20 ft. long.....	1.75
9 Poles—6-in. top, 10 ft. long.....	.50
10 Poles—7-in. top, 8 ft. long, anchor posts	.45
15 Poles—8-in. top, 8 ft. long, anchor posts	.70

E. C. Phares Lumber Company

EAST SIDE SQUARE

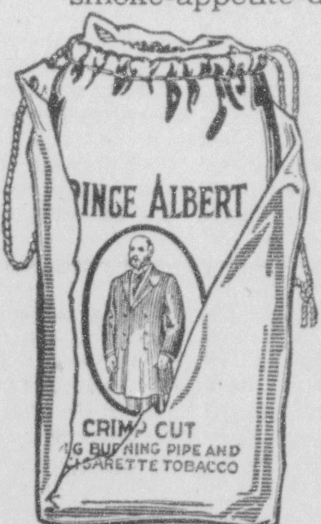

P. S. We also have a complete stock of red cedar poles. The prices are right of course.

PRINCE ALBERT

the national joy smoke

is such good tobacco you feel like you could
just eat the smoke!

Yes, sir, P. A. puts a razor edge on your smoke-appetite-division that's nobby enough to be photographed!

The toppy red bag, 5c

For you can put your little old blue-pencil O. K. right here that Prince Albert is a regular double-header for a single admission—as joy's to your tongue and taste one way as the other!

Will the "rollers" kindly step forward for a spell and get some of this listen into their systems? Because Prince Albert certain and sure jams more joy into a makin's paper than ever before was figured up on two hands!

In the plain language of the hills, you can't any more resist such makin's tobacco than a bullfrog can pass up a piece of red flannel! Because P. A. hands to you everything any cigarette roller ever dreamed-out—rare flavor, and aroma, and mildness, and body; absolutely the best bet—the best smoke

you or any other man ever did roll and put the fire to! Men, we tell you to wise up.

P. A. is crimp cut and stays put—which means rolling P. A. is as easy as falling off a log. And it's good to remember P. A. is put up in the toppy red bag especially for you "rollers." Sells for the price of a jitney ride, 5c.

Now, will the "pipers" kindly open both ears?

Here's tobacco that has made it possible for three men to smoke pipes where one smoked before!

Any way you hook it up, Prince Albert is tobacco insurance! Yes, sir, it guarantees your future as well as your present smoking's! And just makes your tongue so jimmy pipe joy's that your smoke appetite grows whopping big. You men who "dassn't," we say you go to P. A., natural-like! Because there isn't a bite in a barrel of this national joy smoke.

Unlimber your old jimmy pipe! Dig it out of the dark corner, jam it brimful of P. A. And make fire with a match! Me-o-my!

You get acquainted with Prince Albert in the toppy red bag, 5c; or tidy red tin, 10c, but for the double-back-action-joy, you buy a crystal-glass pound humidor. And then you're set! You see, it has the sponge-moistener top and keeps P. A. at the highest top-notch point of perfection. Prince Albert is also sold in pound and half-pound tin humidors.

The tidy red tin, 10c
